Our Mission is to
“Equip and Inspire Students to be a
New Generation of Christ-Centered Leaders”

Dick Dray, Head of School
Rusty Kirkpatrick, Director of Students

From the Desk of Head of School Dick Dray

Today I came across a very interesting news article that really caught my eye and saddened my heart at the same time. A long-time theological seminary on the east coast of the US this week made way in their weekly chapel for an altar to be set up consisting of various plants. Students were then given the opportunity to come to the altar and take part in a confessional to the plants asking forgiveness for what man has done to the environment. Sadly, this seminary was set up in the 1800's as a place where men and women could be trained for the ministry but through the years lost its mission and way as they moved away from the Word of God. Truths from God's Word have been cast aside and humanistic reasoning and various world religions have taken God's place at this once theologically honored institution.

Each day as I enter my office or send out letterhead mail from Christian Academy I am reminded thankfully that we, through the years, have not forgotten or lost our theological way as we daily are not only in the business of providing a great education but it is part of our mission of equipping and inspiring a new generation of Christ-Centered leaders. This was our foundation over 40 years ago and remains the same even today in 2019.

Thanks for your ongoing prayers and support for Christian Academy.

God Bless.

Dr. Dixon became the eighth president of Cedarville College in 1978. A graduate of Tennessee Temple University and Temple Baptist Theological Seminary, Dr. Dixon spent 14 years as an evangelist before becoming president. In 1986, while president, he earned his doctorate in higher education from the University of Cincinnati. He also holds an honorary Doctor of Divinity degree from his alma mater, and the honorary Doctor of Laws degree from Liberty University in Lynchburg, Virginia. After 25 years as the Cedarville president, Dr. Dixon became the Chancellor of the University, as the mantle of the presidency was passed to William E. Brown.

All family adults, staff and community leaders are welcome to attend. Spread the word. Please RSVP to Mrs. McPheron **as soon as possible**. The goal is to raise funds to help offset CAS costs and for scholarships. There will also be testimonies and CAS presentations.

Family Night Out at the Auto View TONIGHT

The new Christian movie, *Overcomer*, along with the movie *War Room* are going to be playing at the Sidney Auto Vue drive in **TONIGHT, September 20th and tomorrow night, September 21st**. The owners decided to show the movie due to so many people requesting it. Let's show support for both our local theater and the Kendrick Brothers, producers of other Christian movies such as *Facing the Giants*, *Fireproof*, *Courageous*, and *War Room*. It would really be nice to see Christian Academy Schools and our community support the Auto Vue as they work to bring a quality Christian movie to our area.

Caterpillar Turns into a Beautiful Butterfly

There are so many wonderful learning opportunities in God's amazing creation. One such opportunity is witnessing the miracle of a caterpillar turning into a butterfly. The kindergarten class started with a caterpillar that they found on a big Milkweed leaf. It was a remarkable thing to witness and share as a class.

From the moment they brought the caterpillar into their classroom and identified it as a Monarch caterpillar, the kindergarteners were engaged in the entire process as they monitored the transformation from caterpillar to Chrysalis to Butterfly. It was special for all of them and something they expect to do again. The pictures are the kindergarten class releasing "Chrys A. Lis" to begin its migration journey to Mexico.

4th Grade to Experience Pioneer Day at Shelby County Fairgrounds

The fourth-grade class will be attending Pioneer Day on **Wednesday, October 2nd** at the Shelby County Fairgrounds from **9 a.m. – 2:30 p.m.** The 4th grade students will be provided the opportunity to experience pioneer life as it was in the early days of Ohio. The numerous hands-on Ohio History learning experiences are tied directly to the 4th grade academic standards.

The students are to dress warm (wear jeans) and tennis shoes instead of chapel dress. **A disposable sack lunch & drink with the student’s name clearly labeled will be needed for lunch.** We would like to thank the Shelby County Educational Service Center, Shelby County Historical Society, Shelby Soil and Water Conservation District and local businesses and volunteers that have organized this day. In case of severe weather, the event will be cancelled.

Introducing Brenda Sprague as “Eagles Nest” Supervisor

Brenda Sprague, a CAS parent, has been hired as the “Eagles Nest” after school care supervisor. Eagles Nest is offered for parents who can not pick up their child(ren) at the designated times after school. The cost is \$5 per hour and \$2.50 for a half hour or less. All children **MUST** be picked up no later than 5:30 p.m. every day. **Parents are to send a note or call the school no later 2 p.m. if their child is planning to stay after school and say what time they are being picked up.**

Verse of the Week

“Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.” Galatians 6:9

Thought: If we keep on doing good, following God, making the right choices, we will be glad we did. Because at the proper time, when we’re faced with a test or trial, we’ll be glad that we stuck with it and didn’t give up. So, if you’re discouraged, take comfort in the fact that if you keep with it, all the hard work will be worth it in the end. Don’t give up or quit. Stay the course and finish strong!
