Come Join the Sports Booster Club

We need your help! Please join the Booster Club! Supporting the CAS athletic program has its challenges. Being a relatively small school, we do not have the budget surpluses that other schools have. Our student athletics compete at both the Varsity and JH level and we want to give them every advantage to be successful. With the support of all student-athlete families, we can make a difference to our Christian Academy School Athletic programs. By joining the Boosters, making a contribution, or just volunteering some time, you help make our teams feel supported by their parents, friends, and community.

We are looking for members with great ideas and who can give some time to help with our fund-raising events as well as volunteer during games for tickets and concession stands. The Booster Club is designed to help support and fund ALL organized sports teams at CAS regardless of age group. If interested in the Booster Club a meeting will be **Monday, February 10th** at **6 p.m.** in the CAS library. It's a really great way to get involved. Come out and show your school spirit. Join the Booster Club today! Contact our Athletic Director with any questions: chad@sidneyfaith.org

Christian Academy to Host a Blood Drive

A Community Blood Drive will be held at Christian Academy on **Monday, February 3rd** from **1 p.m.– 5 p.m.** Our high school students and their parents have been asked to give the gift of life by donating blood at this high school blood drive. To donate, your child must be at least 16 years old, weight at least 110 pounds, and be in good general health. In addition, if students are 16 years old, parental consent is required.

High school blood drives provide a special opportunity for students to learn about community service and the value of selflessly helping others. Students who donate blood in high school will normally continue after graduating. By donating blood, your child has the potential to save 3 lives. **Contact Mrs. Inman or www.donortime.com** to schedule an appointment.

Love to Read Week

A Bookmark Competition will be held during Love to Read Week

Look for Upcoming Information because it's Going to be "Out of This World"

Attention: Juniors

- Don't forget to schedule your time to meet with Mrs. Baughman.
- If you are considering college after high school, please start setting up your visits.

Seniors, Seniors, Seniors!

SCHOLARSHIPS, FAFSA, and SCHOLARSHIPS!!!! Just in case you're not sure what you should be working on, the FAFSA needs completed **ASAP** as many colleges have priority deadlines coming. Also, many scholarship deadlines are coming so have your list of deadlines to prioritize the order you need to complete the scholarships.

Verse of the Week

"I will instruct you and teach you in the way you should go; I will counsel you and watch over you." Psalm 8 32:8

Thought: Many times, life is not as simple as we would like it to be. Sooner or later you come across tough problems that need to be solved. Sometimes the solution is obvious; other times it is not, and we are faced with a difficult decision. Perhaps we may ask for advice, trusting that others can tell us what the best option is. Unfortunately, some people's ideas come from things that have happened in their own lives. They only see the way a plan would work for them and not how it will affect you in the future – or how it will affect others. It is great to know that we can turn to God for wisdom and guidance. He not only sees into the future, but also leads us in the way that is best for us. *Printed from www.truthforkids.com*

CAS PARENTS!

Help CAS Develop a Better School by Completing a Survey

Parents, we are asking you to complete a survey to help us develop better overall. The survey can be accessed at <https://eprovesurveys.advan-ed.org/surveys/#/action/128296/27634>. It is currently open and will close on **Friday, January 31st at 5 p.m.** This is your opportunity to let us know areas to focus on for the upcoming years.

Families and Friends of CAS

We are looking to expand our class offerings to high school students, and we need your help. We are looking for individuals who have a degree, have taught or trained individuals in an area they have expertise in, and are interested in sharing that expertise with students. If this is you or someone you know, please contact kristina.baughman@caseagles.org for more information.

Socks for Chinese Orphanage

As an outreach for the 5th grade class, Mrs. Abbott has asked the 5th graders to bring in socks for children in a Chinese orphanage. The Orphanage is in Nanning, China, a city in southern China near the Vietnam border. It is the capital of the Guangxi region. Mrs. Abbott has personally been involved with the orphanage.

Mrs. Abbott is planning to visit China and adopt two boys from this orphanage and will hand deliver the socks collected. All the kids' clothes at this orphanage are communal for the kids. They share all clothing items, so we would love to have about 30 pairs of cool socks to take to the children from the 5th grade CAS class. They have kids of all ages from 0-14 years' old who live together. All sizes and colors would be great! Please prayerfully consider being a part of this mission to support orphans. We will be collecting socks for the next few weeks. If you have any questions, please contact Mrs. Fishback at becky.fishback@caseagles.org.

Updates from Mrs. Kindig

Fit for the King

What a delightful and terrific opportunity! This season sped by quickly and concluded with our performance on Friday, January 17th. Parents enjoyed free admission into the basketball games to root on our teams and watch their child/ren perform. Twenty-nine students performed a complex routine and had fun, culminating with a celebratory party afterwards. Thank you, Mrs. Kindig, for organizing this exciting event and to the helpers Mrs. Wiltheiss, Mrs. Dray and Mrs. Spicer! A big thank you to all the parents and students for a wonderful and successful season!

Walk for the King

Starting at beautiful covered bridge, our walk takes us through gorgeous sandstone formations and impressive sandstone cliffs. Big and Little Lyon Falls are set in a 1,000-foot-wide and 300-foot-deep rocky gorge. Walking up to the base of Big Lyon Falls, we see an 80-foot fall with a cave as a backdrop. There is enough room for all of us to walk behind the falls and experience the cool cave walls. Now, take a deep invigorating breath and enjoy the beauty of this low-flowing waterfall! We are half way to our next destination. Loraine County here we come!

Four Square Tournament Held During Recess

A “four square tournaments” was held Tuesday, January 21st during recess. Mr. Abbott volunteered to referee. Scorekeepers were available to keep track of points. Participants received points for every good serve and lost points every time they argued about being out. We wanted the kids to have fun but be reminded of the rules. The winners got a big Hershey bars were James Wright in the K-2 category and Serenity Abbott in the 3-5 category.
