Fake vs. Truth

Each day, I along with so many Christians including those of us in the Christian Education world are faced with distinguishing between what is fake and what is true or truth. In discussions daily here at CAS with students and staff I realize our students are faced with the same matters. Sadly, students at times may not even realize what they are doing or believing is actually fake but because what is shared via social media and other media outlets, they think it must be true.

On an ongoing basis we have various matters or policies that are coming our way from political groups that would regard matters that we as Christians would hold to not be true. Daily there is legislation being discussed and voted upon that would be presented as bringing let's say “equality” but in truth is really detrimental to Christian views and organizations.

What is truth or true is not necessarily something that is new today in our current culture. Even in Jesus' day recorded in the Book of John, Pilate asked Jesus “What is truth” in John 18:38. Jesus shared with His closest followers a few chapters earlier in the Book of John 14:6 “I am the Way, the Truth and the Life; no one comes to the Father but through Me.”

Here at Christian Academy when determining what is true or truth to be shared with our students and those around, we will look to **Jesus Who is the Truth** and is the same yesterday, today and forever (Heb. 18:8) and we will look to **His Word** which is described in Isaiah 40:8 “this way the grass withers and the flowers fade, but the Word of the Lord endures forever.”

This is how WE know the difference between what is fake vs. truth. 😊

God Bless,

Dick Dray

Parents, Get the Word Out about CAS Kindergarten 2021-2022!

Re-enroll Your Child(ren) for 2021-22 School Year

Parents can now re-enroll their student(s) for the 21-22 school year! The cost to re-enroll is \$25 for one child and \$40 for a family with two or more children who are *currently* enrolled at CAS. After **March 31st**, the cost will be \$100 to re-enroll per family. By re-enrolling you are reserving a spot for your child for the 2021-22 school year. If you have any questions, please call 492-7556.

CAS Refer a Friend

PARENTS of presently enrolled students can have \$250 toward their school bill. This will be granted when the new student has been enrolled for 1 semester and is in good standing on their bill. (Example – if a CAS parent who presently has a child in K-12 refers a family with two children enrolling in CAS, that parent would receive a tuition discount of \$500 as long as the referred students remain enrolled for 1 semester). Only one referring family can be cited by a prospective family. Parents who are already receiving scholarships for tuition will be able to apply towards book fees or their family service hours. There is no cash value with this program. The amount applied to the family's account cannot exceed their balance. So... tell your family and friends about CAS!

Fun at CAS

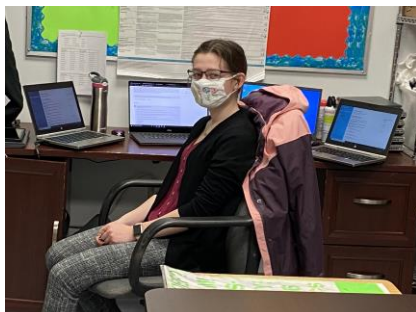

Why is Mrs. Miller reading "Working with Difficult People"? Do you think it's because she works with Mrs. Purple?

Verse of the Week

"For the Word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart." Hebrews 4:12

The Bible applies to every part of our lives. It's not only some encouragement for the morning, but it applies to your friendships, your classes, and your relationships with other people. The Bible isn't an ordinary book. It's a book that's there to help you understand the things you face. It explains why you're here and every issue that you face. But to experience its power you have to believe it and get it into your heart. That sometimes takes work, but it's worth it. So today, realize that the Bible applies to everything you face. Spend time getting it into your heart and into your life.
