### From Everlasting to Everlasting, You are God

A year ago, we were heading into what would be a unique summer season for us all. We had just come out of a period of time where all schools in Ohio were required to go to a remote learning status due to COVID-19. The summer brought many questions for not only that season but also for the 20-21 school year that was ahead for us. As a school staff and Board, the decision was made to return to in-person learning for the school year ahead as allowed by the Governor and Ohio Department of Health. State mandates were put in place and while they brought some adjustments, by adhering to them we were allowed to return to on campus classes and to follow our school mission of equipping and inspiring a new generation of Christ-centered leaders. Some aspects of daily school life were adjusted and at times we wondered how long would this all be in place? For most if not all of us we wanted to return to some sense of normalcy as so many things in our daily world both on and off campus had changed.

Through the year one of the things that we found was that God was still working and blessing us here at Christian Academy. Students were still learning the truths from God's Word as foundational to all classes and events going on here. There were also still many times of laughter and joy along with some times of sadness. We saw also how the Lord even in a tightened budget year provided for all our needs and even more than we could have imagined at times.

Most of all we found that even though many things changed around us God never did. As the psalmist so well stated in Psalm 90 (which by the way is thought to be the oldest of all the Psalms) that God is eternal, man is frail, man is sinful, life is short, and God is gracious. How praiseworthy He is as we think upon the fact that “From everlasting to everlasting, You are God.” Praise the Lord for His faithfulness in the soon to be ending 20-21 school year 😊.

## Message from the CAS Board of Directors Looking Ahead to the 21-22 School Year

With the recent announcement from Governor DeWine's office and the Ohio Department of Health of the ending of the state health department mandates the Board of Christian Academy Schools has voted to have us move back to pre-pandemic procedures for summer activities and for the 21-22 school year. While face coverings and sneeze guards will go away, we will still as before work hard to ensure a safe, friendly, healthy, and secure school environment. Thank you for your prayers and support during this past 20-21 school year. Enjoy the upcoming summer season and we will see you Lord willing in the 21-22 school year. 😊

### Verse of the Week

*“Don’t be misled – you cannot mock the justice of God. You will always harvest what you plant.” Galatians 6:7*

Are you sowing seeds of kindness to those around you who are hurting? Do you choose to seek friendships with others over obtaining material things? The Bible tells us that we will harvest what we plant. We might not see it today or tomorrow, but the seeds we plant make a difference in our future. So today, take a realistic look at the seeds you’re planting. Are they seeds that will produce a good harvest in the future? Copied from: [studentdevos.com](http://studentdevos.com)
