“Equip and Inspire Students to be a  
New Generation of Christ-Centered Leaders”

## From the Desk of Head of School Dick Dray

Hi Folks,

This Sunday afternoon we will be having a group of educators arrive on campus for a period of four days to come and evaluate and make recommendations regarding our accreditation. These folks from the Midwest are a part of our five -year reassessment.

Three weeks ago, we submitted a preliminary 96-page report to this group of educators covering eight key standards that include all aspects of CAS and our daily routines and expectations. Included with that report were over 300 supporting documents. The team has been reading over this report and when they are here in the upcoming days, they will be interviewing staff, students, parents, Board members and administration.

Please be praying for us here at CAS that the final items we need to have completed prior to their visit will be accomplished and that while the group is here that we will gain greater insights on improving our mission here. The team will be here November 14-17. Thanks for your prayers and support.

Blessings,

*Mr. Dray*

### Verse of the Week

*But now, this is what the LORD says-he who created you, Jacob, he who formed you, Israel:  
 "Do not fear, for I have redeemed you; I have summoned you by name; you are mine". Isaiah 43:1*

Some people might not know Jesus yet, so they are downright mean. Others might have accepted Jesus but haven't let God's Word run their lives. And yet, even people don't treat us right, annoy us, or simply think so differently than us, as Christians, we are called to LOVE them. We might never agree with them. We might never think the same as they do, but we can still treat them with dignity and respect. Why? Because to God, they were created and formed by Him.

He also discussed the importance of Veteran's Day.
