New Generation of Christ-Centered Leaders”**

Some various updates.....

Over the past couple of weeks there have been a variety of extra activities going on here on campus and I wanted to note a few of them:

1. **Spring Play....Law and Order.** Over the past several weeks more than 65 students, staff and various workers have been preparing for the four performances of our Law-and-Order presentation at the Sidney Theater. We're expecting some neat things through the performances. Kelinda Crawford has done a wonderful job of working through the many details. So thankful for all the students, families, staff, and most of all the Lord for His goodness. Tickets can be purchased at the door.
2. **Spring Concert...**the Spring concert which involves grades K-12 is in full practice mode getting ready for our May 10th presentation here at CAS. Many of the numbers featured in this concert will be patriotic in nature and will also include special tributes to our men and women of the Armed Forces.
3. With May now arriving this weekend which includes Memorial weekend we have once again placed our **American Flag display** along Russell Road for all to enjoy in the months ahead. So thankful for our country, service men and women and the Lord 's graciousness to us.
4. **New Iowa standardized testing format....** over the past several years CAS has used the Terra Nova standardized testing for our students to assess progress. This testing format is being phased out nationally and so we moved to the Iowa Standardized Tests. With the new format we know it will take at least two years to be able to do a realistic comparative analysis, but it does give us important information right away for each student and the knowledge this format will be available for the years ahead.
5. **Special CAS Workday praise.....** on Saturday April 23rd we had a large group of family volunteers here on campus to help spruce up the grounds and get ready for the new growing season ahead. We are so grateful for their efforts. We even had a golf cart load of young Eagles that were here to make sure the adults were doing things right.

Blessings,
Mr. Dray

Thank you to everyone who volunteered last Saturday for our annual workday.

Students will be walking outside as they go from building to building, so please be sure to have your child dress appropriately for the weather. CAS Staff Appreciation NEXT Week!

May 2nd – May 6th, is CAS Staff Appreciation Week at Christian Academy. We are blessed with tremendously caring and intelligent staff. In addition to the academic instruction, spiritual guidance, and life’s lessons they provide to our children, they have a heart of service. Be thinking of ideas you would like to do for your child’s teacher and support staff. If you would like ideas, Mrs. Purple has a list of individual teacher’s favorite flowers, food, snacks, stores, etc.

Daily themes are:

Monday	Tuesday	Wednesday	Thursday	Friday
Flower Day	Relaxing Day	Sweet Day	Note/Picture Day	Anything Day

Miscellaneous Ideas

- **Home Cooked Dinners** – Arrange a home-cooked meal for the teacher or support staff to take home. Even something as simple as a pasta casserole and a green salad will make their day of appreciation carry over to her home. (or a gift card for a restaurant)
- **Morning Surprise** – Every morning a different parent can bring a staff member or/and support staff a steamy “cuppa joe” and breakfast treat. They will be boosted with enough energy and love for the rest of the day.
- **Lounge-O-Plenty** – a family or families can bring in an array of baked goods and fruit to keep in the lounge totally packed with goodies all through the week.

Verse of the Week

"With their words, the godless destroy their friends, but knowledge will rescue the righteous." Proverbs 11:9

Our words are powerful. They have the ability to hurt others deeply. However, words aren't always used in bad ways. In fact, your words can be helpful to others as well. You can choose to speak life to other people. Your words can encourage a friend that is down. You can positively influence those around you, simply by the words you speak. Today determine to be a better version of yourself than you were the day before. Let your words bring life and encouragement to those around you. Choose to be a person who builds others up, not tears them down. Ask God for His help in putting a guard over your mouth and begin to speak life-giving words today. Copied from studentdevos.com
