How Peculiar!

"But you are...a peculiar people." 1 Peter 2:9

Many of the older translations of the Bible used the word *peculiar* to describe the people of God. In the King James Version, for example, we learn that Israel is to be God's "peculiar treasure" (Exodus 19:5) and that Christians are to be a "peculiar people, zealous for good works" (Titus 2:14). Newer versions update the language, telling us we are a *special* people. *Peculiar* now has a different connotation.

And yet...

1 Peter 2:7-10

A.W. Tozer wrote, "A real Christian is an odd number anyway. He feels supreme love for One whom he has never seen, talks familiarly every day to Someone he cannot see, expects to go to heaven on the virtue of Another, empties himself in order to be full, admits he is wrong so he can be declared right, goes down in order to get up, is strongest when he is weakest, richest when he is poorest and happiest when he feels worst. He dies so he can live, forsakes in order to have, gives away so he can keep, sees the invisible, hears the inaudible and knows that which passes knowledge."

How special we are.

Thanks for Imitating and Walking

We just wrapped up another very busy week of awards assemblies, classes and "clap outs" here at Christian Academy. Our theme for the year has been "Imitating God and Loving Others" as has been found in Ephesians 5:1,2. There have been so many great times where we have seen this demonstrated including yesterday on the final day of classes for our 21-22 school year.

Thank you all for your prayers and encouragement during this past year. Know we will be praying for you during these summer months trusting this will be a time of blessing. Thanks for your ongoing prayers for us as even though classes have ended there are many things to wrap up before June 30th which marks the end of our official year as well as many details that we are working on for the upcoming 22-23 school year.

God Bless and have a great summer.

Mr. Dray

Verse of the Week

“A patient person shows great understanding, but a quick-tempered one promotes foolishness.” Proverbs 14:29

Developing patience isn't fun or easy. However, the rewards of developing patience are good. You'll find that you're much happier. Choose today to enjoy where you are right now, even if it's not where you want to be. Choose to be happy regardless of what is going on around you. Copied from: studentdevos.com
