Wrapping Up 21-22..... Moving Forward with 22-23

Officially our 21-22 school year ends on June 30th and with it comes the many educational reports we are working to complete. We're also compiling our book and classroom supply lists and orders that will be needed for the upcoming school year. Currently we are in the midst of volleyball open gyms which run through June 16th and the planning for summer soccer and volleyball practices is almost set.

On June 10th and 11th our CAS School Board will be meeting for strategic planning. We will be evaluating our school strengths, weaknesses, opportunities, and threats (SWOT) based upon past history, recent school surveys along with current and anticipated events. Thanks for your prayers for all of us involved in this process as we seek God's wisdom in our planning. Jesus demonstrated the importance of planning both for short term and long -term events in the gospels and beyond. He left a great example for us all.

Blessings,
Mr. Dray

Honoring Christ

Parents honor Christ by giving their children to Him. This truth is plainly stated in Matthew 19:14, "...Suffer [permit] little children, and forbid them not, to come unto me [Jesus Christ]: for of such is the kingdom of heaven." For this to happen, Christian children need to be exposed to Christ's love and His teachings and trained in the ways of the Lord (Deuteronomy 6:1-9).

Nowhere in Scripture did God instruct Jewish fathers to send their children to Gentile schools. Jewish children attended Jewish schools. Why would Christian parents send their children to secular, humanistic public schools? God entrusted children to their parents, and He trusts parents to make decisions in their children's behalf that honor Christ. This means protecting them from any philosophical teachings or learning environment that dishonors Christ.

Verse of the Week

"I have told you all this so that you may have peace in me. Here on earth, you will have many trials and sorrows. But take heart because I have overcome the world." John 16:33

If you've been burdened with all the trials and troubles of life, be encouraged. Jesus is there with you, keeping you safe, providing for your needs, and helping you each step of the way. Don't give up or be discouraged, storms will come, but you've got Jesus to help you stand strong. **Today's Truth:** With Jesus, I can stand strong in life's storms.
