Verse of the Week

"So do not throw away this confident trust in the Lord. Remember the great reward it brings you!" Hebrews 10:35

How do we keep from throwing away our confidence in God? It comes by reminding yourself daily of how good God is. Remember the times that God has come through for you. Remind yourself of the fact that regardless of how hopeless things might seem right now that God cannot leave or forsake you. Don't make the mistake of losing hope and trust in God. God will not let you down. **Today's Truth: Confidence in God comes by reminding yourself of how good God is.** Copied from: studentdevos.com
