Our Mission is to
“Equip and Inspire Students to be a
New Generation of Christ-Centered Leaders”

Dick Dray, Head of School
Rusty Kirkpatrick, Director of Students

From the Desk of Head of School

Hi Folks,

Observed on the first Monday of September, **Labor Day** is an annual celebration of the social and economic achievements of the American worker. The holiday is rooted in the late nineteenth century, when labor activists pushed for a federal holiday to recognize the many contributions workers have made to America’s strength, prosperity, and well-being.

Know that we are so very thankful for all the labors and efforts our families and staff members perform on an ongoing basis to help our school and community be successful. Paul reminded his readers in Colossians 3:23 that “Whatever you do, do your work heartily, as for the Lord rather than for men.” Thank you for your “heartily work” for the Lord daily.

Happy Labor Day!

Mr. Dray

Priority of Safety

Prior to the start of our 2022-23 school year our administrative staff and then our entire staff spent multiple hours in additional training with Officer Stewart from our Sidney Police Department focusing on intruder safety measures on campus. It was an extremely helpful time to focus on information to help keep our CAS students safe.

We also just today completed our annual Sidney Fire Department facility inspection. Lt. Ryan Heitman and another well experienced firefighter walked with Head of School Dick Dray through the inside and outside of the facility with keen eyes evaluating our facility. We are thankful we passed with flying colors and are very grateful for our many great First Responders here in Sidney.

Thank You First Responders Friday, September 9th

Christian Academy will be hosting some of our local first responders from Sidney Fire, Sidney Police, and the Shelby County Sheriff's Department. Sunday, September 11th is officially Patriot Day, and we simply want to show our appreciation for these great community servants by providing a meal, giving some cards and words of encouragement and some smiles and greetings from our staff and students. Christian Academy to Host a Fall Blood Drive

A Community Blood Drive will be held at Christian Academy on **Thursday, September 22nd from 1 p.m.– 5 p.m.** Our high school students and their parents have been asked to give the gift of life by donating blood at this high school blood drive. To donate, your child must be at least 16 years old, weight at least 110 pounds, and be in good general health. In addition, if students are 16 years old, parental consent is required. High school blood drives provide a special opportunity for students to learn about community service and the value of selflessly helping others. Students who donate blood in high school will normally continue after graduating. By donating blood, your child has the potential to save 3 lives. **Contact Mrs. Purple or www.donortime.com** to schedule an appointment.

Verse of the Week

"Peace, I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid." John 14:27

God doesn't want you troubled by the cares, concerns, and worries of life. God doesn't want you concerned about the friends at school that aren't being nice to you. He doesn't want you troubled about the unrest in the world around you. We are wired to want to worry. It's easy to want to take the troubles of the world around you and let them cause you to be upset. However, that isn't God's best for you. God wants you to rest in Him, and to walk in His peace. So regardless of what is going on around you, you can be at peace knowing that God will take care of you and watch after you.

Burger or a Hot Dog?

Last Friday night we had a great turnout here at the school for our fellowship picnic and hundreds of people were asked the question of “Do you want burger or a hot dog?”

Hamburgers were the choice by a 2/1 margin, and all enjoyed the extra side dishes along with some great fellowship in a warm (literally) and friendly atmosphere.
