## Statement of Faith

1. We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit. (Gen. 1:1, Mt. 28:19, Jn. 10:30)
2. We believe in the deity of our Lord Jesus Christ (Jn. 10:33), in His virgin birth (Isa. 7:14; Mt. 1:23; Lk. 1:35), in His sinless life (Heb. 4:15 and 7:26), in His miracles (Jn. 2:11), in His vicarious and atoning death (I Cor. 15:3; Eph. 1:7; Heb. 2:9) through His shed blood, in His bodily resurrection (Jn. 11:25; I Cor. 15:4), in His ascension to the right hand of the Father (Mk. 16:19), and in His personal return in power and glory (Acts 1:11; Rev. 19:11).
3. We believe that man is sinful by nature and that regeneration by the Holy Spirit is essential for His salvation. (Rom. 5:8-9; Eph. 2:8-10)
4. We believe the Bible to be the inspired and the only infallible authoritative Word of God. (II Tim. 3:16; II Peter 1:21)
5. We believe in the continuing ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a victorious Godly life. (Rom. 8:13-14; Eph. 4:30 & 5:18)
6. We believe in the resurrection of both the saved and the lost. Those who are saved unto eternal life and those who are lost unto eternal damnation. (Jn. 5:8, 29)
7. We believe in the spiritual unity of believers in our Lord Jesus Christ. (Rom. 8:9; Gal 3:26-28)
8. We believe in the creation of man by the direct act of God. (Gen. 2)
9. We believe that the term marriage has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture (Genesis 2:18-25). We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other (I Corinthians 6:18, 7:2-5; Hebrews 13:4). We believe that God's command is that there be no sexual intimacy outside or apart from marriage between a man and a woman.
10. We believe that God wonderfully foreordained and immutably created each person as either male or female in conformity with their biological sex. These two distinct yet complementary genders together reflect the image and nature of God. (Genesis 1:26-27).

## Mission

To Equip and Inspire a New Generation of Christ-Centered Leaders

## Vision Statement

**Academic Excellence** – Students will have a Biblical worldview with superior preparation in all academic disciplines. (Prov. 22:6)

**Building Personal Character** – Students will develop to be above reproach (I Tim. 3:1-5) in all areas of their lives, learning and modeling integrity, self-discipline, and the Fruits of the Spirit. (Gal. 5:22)

**Calling of Christ** – Students will discover their talents and spiritual gifts (Rom. 12:6-8) as they seek and follow God’s call in their lives within the body of Christ.

**Developing Hearts of Service and Gratitude** – With compassion and the heart of Christ, students will serve those around them throughout their lives. (Matt. 20:26-28)

**Engaging Their World** – As Christ’s new generation of disciples, students will engage themselves in the world to fulfill the Great Commission. “Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost.” (Matt 28:19)

## Family Covenant Agreement

The CAS staff and families uphold the Covenant Agreement stated below to support and be accountable to one another as brothers and sisters in Christ.

We do not view these values as matters of mere convenience or personal reference. We believe they are essential marks of lives transformed by God’s grace. As a community of born-again believers, we commit ourselves to the pursuit of these spiritual growth markers and maturity so that God may be glorified at CAS.

- We covenant together to express our love for God through our obedience to the authority of His Word, our practice of spiritual disciplines and regular expressions of worship and Christian service.
- We covenant together to express our love for others through acts of kindness, wholesome and uplifting speech, redemptive expressions of confrontation and forgiveness, merciful acts to those in need and loving proclamation of the gospel.
- We covenant together as people of integrity and self-control, truthful in our speech, honest in our conduct and moral purity in both thought and action.
- We covenant together to pursue excellence in all that we do as an expression of our gratitude to God and our desire to be good stewards of all God’s gifts including our talents, time, and resources.
- We covenant together to guide our students to use Philippians 4:8 concerning their conduct and choices on and off campus. *“Finally, brothers, whatever is admirable-if anything is excellent or praiseworthy- think about such things.”* Christian conduct is expected at all times. It is important for our students and staff to remember they are representing our Lord on and off campus.

## Church Affiliation

CAS has no specific church affiliation and is inter-denominational. Christian values and character, as well as Biblical principles outlined in our Statements of Faith are integrated into each subject.

## Church Relationship

To function as an inter-denominational organization to support the local churches, CAS students and their families will be committed, active participants in their own local churches.

## Curriculum

CAS provides an excellent Christian curriculum and uses the following publishers: ABeka, ACSI, Bob Jones, Great Source, Houghton Mifflin, Positive Action, Purposeful Design, The Concerned Group, and Zaner Blosser. God's truth is integrated into each subject area. Through small class size, students receive individual attention. Strong emphasis is placed on the basics of learning and developing skills in reading, writing, language arts, mathematics, critical thinking, and reasoning.

To accomplish our purpose in an educational setting, we will provide a Christ-centered education for qualified children of Shelby County and neighboring areas without distinction to race, social-economic status, gender, or ethnic origin.

The Bible is at the center of our curriculum, the versions selected for use at CAS are the New International and King James versions. Each day includes prayer, as well as weekly chapel services that students attend.

*"True religion affords government its surest support. The future of this nation depends on the Christian training of the youth. It is impossible to govern without the Bible." George Washington*

## Statement of Nondiscrimination

The governing board of CAS, located at 2151 W. Russell Rd. in Sidney, Ohio 45365, has adopted the following racial nondiscriminatory policies:

CAS recruits and admits students of any race, gender, or ethnic origin to all its rights, privileges, programs, and activities. In addition, the school does not discriminate based on race, gender, or ethnic origin in the administration of its educational programs and athletics or extracurricular activities. Furthermore, the school is not intended to be an alternative to court, or administrative agency ordered, or public-school, district-initiated desegregation.

CAS does not discriminate based on race, gender, or ethnic origin in the hiring of its certified and noncertified personnel.

## Transfer of Records Policy

In the event that Christian Academy Schools would need to close, all students' records will be sent to their home districts.

## Intervention Services at Christian Academy

Currently, Christian Academy falls under the umbrella of Sidney City Schools for all of the identification of their special education services. This is due to the fact that Christian Academy lies within the borders of the Sidney City School district. The intervention specialist at Christian Academy works closely with the special education director as well as the school psychologists at Sidney City Schools when the process of identifying students for special education services needs to be implemented. Sidney City Schools is in charge of the identification of students and following rules and regulations set up according to the guidelines established by the State of Ohio. Any paperwork that must be used in the identification process is what is used by Sidney City Schools. When questions arise about the identification process the special education director or one of the school psychologists at Sidney City Schools is contacted. Christian Academy Schools currently has two licensed intervention specialists in the building.

The formal evaluation process begins with the regular education teacher, special education teacher, and the student's parents filling out paperwork documenting information regarding the student's home life, vision and hearing ability, reading ability, mathematical ability, communication ability (including oral and written communication), social skills, vocational training ability (if the child is 14 years of age or older), fine motor skills, gross motor skills, and classroom behavior. Once that paperwork has been completed, the parents of the student are asked to give their written permission for their child to undergo formal testing by a school psychologist.

If it is shown that the child qualifies for special education services according to the I.D.E.A. laws, the special education teacher develops an individualized education program (I.E.P.) with input from the student's regular education teacher and the student's parents. The components of the I.E.P. are then carried out by regular education and special education teachers.

Interventions carried out in the regular education classroom may include:

- Close communication between parents and teachers, specifically related to homework assignments
- Having the regular education teacher check out the student each afternoon to ensure that he or she takes home the materials needed to complete that night's assignments
- Placing the student's desk in close proximity to the teacher in order that the student may remain focused during class time
- Reducing classroom assignments (for example, asking the student to complete only half of the day's math problems) in order that the student doesn't get overloaded with nightly assignments
- Allowing the student to have extended time to finish classroom tests and/or quizzes

Interventions carried out during special education tutoring sessions may include:

- Reading tests and/or quizzes to students who are struggling readers
- Writing down a student's response to a test question for students who have poor written expression skills
- Narrowing choices on multiple choice questions to two instead of the normal four choices
- Providing a word bank for fill-in-the-blank test questions
- Narrowing choices for matching questions
- Assisting students with homework assignments to be sure they understand the assignment and have the skills necessary to complete the assignment
- Teaching a lesson from the regular classroom to the student so he or she may remain more focused and process the information easier
- Teaching lessons to students who are below grade level (especially in the areas of reading and math)

The following categories are areas served at Christian Academy Schools:

- Specific Learning Disability (SLD)
- Intellectual Disability
- Other Health Impairment (minor)
- Autism
- Speech and Language
- Multiple Disabilities

In addition to serving students through IEPs, Christian Academy also places students on 504 plans. Students placed on 504 plans typically have some sort of medical diagnosis, with many students served through a diagnosis of ADD/ADHD. Students have also been placed on 504 plans when they undergo evaluation for special education services and don't meet those qualifications yet still need some type of support in the regular education classroom. Christian Academy also has placed students on what has been named a "Learning Covenant". Similar to the 504 plan in public schools, this document lays out responsibility for the student's academic success on several parties.

## Who Are We?

We believe in providing a Christian education to all students. Those who truly desire a Christ-centered education will eagerly respond to changes in attitudes and behaviors as directed through Biblical principles. However, not every student who seeks enrollment is admitted because we believe that either we cannot provide services for a student, or we do not discern a real desire for a Christian education.

In considering admittance for a student who has had significant problems at his previous school or who is in the court system, we pray and use our subjective estimate of the student's probable impact on the rest of the student body and the school. In working with the parents, we prayerfully consider whether we can provide for a troubled student and whether the student's enrollment would have a negative impact on the student body and teachers.

We believe it is important for parents seeking to enroll their children at CAS to understand our philosophy. This will help parents decide about sending their children to CAS based upon how well parents' beliefs match the school's beliefs. Wanting a better academic program, small classes, safe environment, or simply wanting to move away from problems are worthwhile reasons for enrollment, however, we believe these reasons alone are not enough for admission to the school. We believe we are set apart from the public schools because we provide a Christian education based upon a curriculum that provides a firm foundation of our Judeo-Christian roots. Therefore, we believe we are not a school for everyone.

*"Or suppose a king is about to go to war against another king. Will he not first sit down and consider whether he is able with ten thousand men to oppose the one coming against him with twenty thousand?" Luke 14:31*

## Am I My Brother's Keeper?

The Bible's answer to this question is "Yes". For example, we are warned that we should discipline our own actions, so we do not cause others to stumble. We are called to follow the example of Christ and to be servants of one another (Jn. 13:1-6; Phil. 2:1-8). We need to express love through encouragement and sympathy especially when the person is discouraged. We ought to help others solve their problems and go out of our way to give friendship particularly to the lonely.

We are not to be gossips or to be destructive with our tongues (Col. 3:8). We can badly hurt others or ourselves by criticism and tale bearing.

We have much to learn about our response to the wrongdoing of others, but we do have a Biblical standard and it is NOT tattling. "Tattling" is considered the worst crime, and yet there are times when it is wrong to ignore what others do. At CAS, if a wrong harms another or the school, we have a responsibility to react. Even if a person seems only to be hurting himself, we cannot ignore it. We ARE our brother's keeper.

CAS has no rule for responding to the wrongdoing of others, but we do have a Biblical standard. Matt 18:15-17 tells us that we ought to go to the offender after making our own heart right before God. This takes tremendous courage. However, it does make real sense. If sin brings death, true love and true friendship will sacrifice its own comfort to save a brother.

## Good Report

One of the core values at CAS is the Matthew 18:15-17 principle. In its practice, we are to only give a good report about another believer. If a bad report must be given, it should be done so only in the presence of that person.

When speaking about others, conversations should always be positive, profitable, and encouraging.

The following are never acceptable at CAS:

1. *Slander*—false charges which defame or damage another's reputation.
2. *Gossip*—sharing detrimental information with those who are not part of the situation.
3. *Whisperer*—one who secretly or privately passes on evil report to others.

“There are six things the Lord hates, seven that are detestable to him—a false witness who pours out lies and a man who stirs up dissension among brothers.” Proverbs 6:16 and 19

## Addressing Concerns

*When a conflict arises, the Matthew 18:15-17 principle will be followed for resolution.*

1. Go to the individual you have a conflict with and discuss a solution. *“If your brother sins against you, go and tell him his fault, between you and him alone. If he listens to you, you have gained your brother.”* Matthew 18:15
2. Go to the individual accompanied with others who are witnesses or who have first-hand knowledge. *“But if he does not listen, take one or two others along with you, that every word may be confirmed by the evidence of two or three witnesses.”* Matthew 18:16
3. If the issue remains unresolved, take the matter to a person in authority (School Administration). *“If he refuses to listen to them, tell it to the church.”* Matthew 18:17a
4. If no resolution can be reached, the individual should prayerfully consider removing himself/herself from the situation. *“And if he refuses to listen even to the church, let him be to you as a heathen and a tax collector.”* Matthew 18:17b

Please remember to check RenWeb frequently to ensure your child always has money in his/her lunch account.

## Lunch with Your Student

The following guidelines were established for parents or close family members (such as grandparents) to follow when coming into the cafeteria during lunch to eat with their student.

Please call the main desk in the morning on the day to plan to eat with your child. You may bring food or plan to purchase lunch for you and your child only. Please do not bring food or treats for other students for lunch.

When you see your child's teacher in the cafeteria, please be respectful of them, as they are either entering for the assigned lunch time or they are there to pick-up their class. This is not an appropriate time for a conference.

Juniors & seniors have the opportunity to eat outside in the patio area.

## Free and Reduced Lunches

Christian Academy offers the option of free and reduced lunches for our families. The free and reduced lunch form is available at the office. The completed form is to be returned as soon as possible to the office. A letter of award will be issued stating whether your family has qualified.

## Kitchen Use Procedures

No student is to be in the kitchen or using kitchen equipment without permission from lunchroom personnel.

Groups needing the use of the kitchen should schedule kitchen use with Doris Abbott, Director of Food Service.

## Holiday Celebration Policy

CAS respects the right of parents to celebrate the holidays of Halloween, Christmas, and Easter with their families as they wish. CAS does not allow dressing up or costumes unless preapproved by the School Administration. The following principles will serve as our school guidelines in celebrating and decorating for holidays.

1. *Halloween*—CAS emphasizes a harvest theme at this time of year. The traditional *Halloween* themes and symbols, including witches, monsters, ghosts, death, superstition, and fear will be de-emphasized. In general, smiling pumpkins, stalks of wheat, displays of produce, and the like are acceptable harvest symbols. (Deut. 8:10 & 11, Psalm 104, 1 Jn. 4:18, 1 Jn. 1:5-7)
2. *Christmas and Easter*—CAS treats these holidays as joyous times of the year to celebrate and emphasize both the birth of Jesus Christ and His resurrection. Activities and symbols that compliment these emphases are prominent in our classrooms. Myths and symbols, such as Santa Claus, elves, the Easter Bunny, etc. which compete with these are de-emphasized. In the lower elementary grades, especially, Santa Claus will not be discussed to not interfere with your family traditions.
3. *Other Holidays*—Thanksgiving, Valentine's Day and birthdays will be celebrated following each teacher's individual classroom rules.

## Attendance Procedure and Policies

Promptness and regular attendance are a vital part of an education and preparing a student for their career, personal and social life as well as building the character quality of responsibility within a student's life. A poor attendance record may hinder those seeking jobs after graduation. Parents' cooperation is essential in eliminating excessive absences and tardiness. We have developed the following guidelines to help you and your child be successful at CAS and beyond.

It is the responsibility of the parent/guardian to notify the school as early as possible if your child will be absent from school. If there is no communication from the parent/guardian by 9:00am, an attempt will be made by the receptionist to contact a parent/guardian to verify the absence. It is the responsibility of the parent/guardian and the student to bring a dated note, signed by the parent indicating the reason for the absence. In elementary school, the note is to be given to the classroom teacher. In grades 6<sup>th</sup>-12<sup>th</sup>, the note is to be given to the front desk. Failure to bring a note within three days of returning to school will result in an unexcused absence. A doctor's excuse may be required if a student is absent more than three consecutive days due to illness.

If a parent/guardian would like homework from the teacher, this must be specifically stated when they call the school in the morning. Please remember all assignments are available on RenWeb.

All students must sign in at the front desk when arriving at CAS after the morning bell has rung. This includes college students returning to CAS for classes.

### Absence

1. Doctor or dental appointments (Please schedule appointments after school.)
2. Extraordinary traffic conditions at the discretion of the school administrator
3. Motor vehicle tests
4. Inclement weather
5. An emergency in the student's family
6. Illness
7. Bereavement for an immediate family member
8. Pre-approved school sponsored activities

### Prearranged Absence

A PREPLANNED ABSENCE FORM is available at the front desk. The form will be filled out at the front desk and should be returned 48 hours **prior** to the absence. A preplanned absence is an absence that will keep the student out of school for more than two consecutive days. Examples include family vacations, mission trips and church youth group activities.

Assignments can be found on RenWeb, and the student will be responsible for having all assignments turned in by the date they are given on the form prior to them leaving.

### Make-Up Work for Absences

- A. Students will be given the opportunity to complete and submit make-up work. If a student is absent, parents or students may obtain work assignments through RenWeb.
- B. It is the **student's responsibility** to complete **missed** assignments on time. Students have one day for each day of absence to complete and submit their work. If the above guidelines are met, full credit will be given for the assignments. If the above guidelines are not met, policies for late work will apply.  
Example: A student misses school on Monday and Tuesday. The student returns to school on Wednesday. Students are responsible for obtaining all their missed assignments from Monday and Tuesday. Students who missed assignments are due by Friday at the beginning of each class period.
- C. Previously assigned tests or projects prior to the absence are expected to be taken or submitted **the first day of returning**.

## Late or Missing Assignments

*Middle school students* who do not turn in assignments on time will have 5 days to complete the work and turn it in. Each day the assignment is late 10% will be deducted from the total score. After the 5<sup>th</sup> day, the assignment will be recorded as a zero (0) in RenWeb.

*High School students* turning in late assignments will have 20% deduction for each day the assignment is not turned in. On the fifth day, the assignment will be registered as a zero (0) in RenWeb.

## Absent the Day of Student Activities

*Elementary students* absent for more than one hour but less than 2 ½ hours will be counted absent for ½ day. Elementary students absent for more than 2 ½ hours will be counted absent for the entire day.

*High school and middle school students* absent for more than one full period, but less than four periods will be counted absent for ½ day. High school and middle school students absent four periods or more will be counted absent for the entire day.

In the case of afterschool activities, a student must be present at least four full periods of the school day to participate in extracurricular activities. This includes practices, choir, concerts, and athletic events. No exceptions will be made unless prearrangements have been made with the School Administration.

## Excessive Absences

*Middle and High school students* who miss ten periods in a semester of a full credit course may not receive credit for that course. If a student misses five periods in a semester of a .5 credit course, he/she may not receive credit for that course.

*Elementary students* missing more than ten days in a semester may be held back a year.

## Tardiness

If you have not planned to be on time, you have planned to be late.

A student is tardy if he/she is not in homeroom/classroom when the bell rings at 8:20am. Being tardy on a habitual basis sets a poor example. It is important for students to learn the value of being on time. This creates difficulties for us in teaching the value of punctuality if a student is late. If a parent has difficulty getting a student to school on time, please call and talk to the School Administration.

If your child should arrive late, the student should report to the front desk for a tardy slip. The student's lunch order will be recorded at the front desk. The parents should inform the school why the student is late.

If a student is tardy to classes during the day, the classroom teacher will record the tardy in RenWeb. Tardy behavior can be viewed on RenWeb by the parent.

## Excusing Students During the School Day

Students who arrive after the beginning of the school day or who leave before the dismissal of the school day must sign in and out at the front desk.

All students leaving the building for appointments are to sign out and in upon returning the same day. In the event the student's dismissal plans change during the day, the parent **must call the office** as soon as possible to ensure the message is delivered to the student.

PLEASE NOTE: It is very hectic at the end of the school day.

Unless it is an emergency, no changes can be made after 3 p.m.

Students who have an early dismissal should remain in the class until paged by the office.

Students must not leave the building during school hours (including study hall) except by permission of the School Administration.

If a student will be leaving school for an appointment, the parent is to notify the office **prior** to the day of the appointment.

## College Visit Procedures

Juniors and seniors can take two college visits per year. They are to fill out a **College Visit Form** and have it returned to the Academic Advisor at least 24 hours prior to the day of the scheduled visit. If the form is not turned in on time, the student will be considered absent from school.

## Staying After School

Any student staying after school for practice or games must be under the supervision of an adult. The student must always be in a classroom with an adult. If provisions have not been made for the student to be supervised after school, then the student must go to Eagle's Nest to wait for parents. There will be a \$2.50 charge for each half hour that the student is waiting in the Eagle's Nest.

## Before/After School Entry/Exit Procedures

**Before school entry procedures-** Students will be dropped off at the front main entrance doors between **7:50 a.m.** and **8:20 a.m.** Student drivers and passengers must also enter the front main entrance doors between **7:50 a.m.** and **8:20 a.m.** After 8:20, all students will enter the front doors to receive a tardy slip before going to class. All bus riders will be dropped off at the front doors.

All students arriving between **7:50 a.m.** and **8:10 a.m.** will go directly to the gym where an adult monitor will be present. **After school exit procedures** – Students riding the bus will be dismissed by bus beginning at **3:18 p.m.** Student drivers and those pre-approved to ride with them will be dismissed through the front doors **after** the buses leave. Students will use the monitored, designated crosswalk to the parking lot. After the student drivers have left the parking lot, the student riders will be dismissed through the front door. Cars will line up in two lines at the west end of the building and pull forward to form one line after the buses leave. (There will be cones and a staff member to guide the traffic flow.)

Students will be directed to their ride by a CAS staff member. Drivers will be given a CAS placard with the name of the student(s) to be picked up. This should be placed on the dash or held up for the staff members to see. For the safety of our students, only adults on the pre-approved after school pick up list posted on RenWeb will be able to pick up students. Adults wishing to enter the building to pick up their students may use the designated crosswalk and enter through the front doors after the buses leave. There will be no access to the building through the west end doors after school.

PLEASE NOTE: These procedures will apply to early dismissal days as well.

## Transportation Procedures

All bus transportation procedures follow State of Ohio laws and regulations.

### Bus Transportation

Bus transportation is available to students in Shelby County and surrounding areas. Bus rules and regulations will be reviewed with the students at the annual Bus Safety Assembly each fall. Students are expected to conduct themselves per these rules and regulations. Violations of the rules listed below may result in suspension or expulsion from riding the school bus to and from school.

Bus rules include, but are not limited to:

1. Always obey the bus driver.
2. Sit back-to-back, seat to seat, feet to floor.
3. Nothing is placed in aisle
4. No food or drink is allowed.
5. Be quiet at railroad tracks.
6. Use indoor voice.
7. No standing when the bus is in motion.
8. Enter and exit at the bus driver's signal.
9. No heads, hands or feet shall be outside of windows.
10. Students are not allowed to enter the bus until the driver is present.
11. No vandalism of buses or personal property will be permitted.
12. Leave all dangerous items at home. (knives, water pistol, lighters, and matches)
13. Cell phones are to remain off while on the bus unless supervisors direct otherwise.

### Changes in Bus Pick-up/Drop-off Locations

Any changes in bus pick-up/drop-off locations need to be presented to the office in written form—signed by the parent—with the new address and date desired to start. Parents also need to inform the bus driver/transportation department of their given district. **IF THIS DOES NOT HAPPEN**, the child will be required to go to his/her normal drop-off location.

### Student Driving Privileges

Driving to school is a privilege granted by the school to student drivers. Student drivers must adhere to the guidelines set forth by the school.

1. Student drivers must register with the School Administration each school year.
2. Students must complete the driving form and file a copy of their driver's license and insurance policy by **September 15** when wanting driving privileges at the beginning of the year. If a student gets his/her driver's license after **September 15**, this form must be completed and turned in before driving to school.
3. Student drivers must submit parent permission for fellow students who ride as passengers in the car. Students must follow state laws in transporting passengers.
4. Any student passenger who rides to or from school with an approved driver, except for siblings, must submit a parent signed permission form.
5. Students are not permitted in the parking area or in vehicle during school hours and must receive permission to go to their cars during school hours.
6. Students are not to use vehicles during school hours without permission of parents and the School Administration.
7. Student vehicles are to be locked.
8. Student drivers, realizing that school grounds present an element of greater risks, are expected to use caution and drive in a mature, responsible manner. There is a **10 MPH** speed limit.
9. Edison students who ride together must have written permission from their parents.
10. No student may drive another student's car.
11. Violation of these policies may result in loss of driving privileges.

## Framework for Discipline

CAS uses the following steps to resolve situations involving discipline.

1. The teacher talks to, counsels, and prays with the student.
2. Teacher confers with parent over phone or in person.
3. Disciplinary actions are taken in keeping with the offense.
4. Parent-Teacher-Student meet for conference.
5. Student is referred to School Administration.
6. Parent-Teacher-Student-Administrator meet for conference.
7. Suspension and/or probation (conditional status) is given and/or a recommendation to the head of school for dismissal is suggested.

## Code of Conduct

Obedience, respect, and responsibility are key virtues that students must develop. Obedience to rules and guidelines is essential to the development of maturity (Luke 2:51; Hebrews 5:8). It results in genuine freedom in life (John 8:32). Respect is necessary for all successful and meaningful relationships (Luke 10:36-37, Romans 12:18). Additionally, the building of personal responsibility fosters a sense of achievement. Both responsibility and achievement are necessary ingredients to the development of self-worth (I Corinthians 10:30; Ecclesiastes 9:10; Romans 14:12).

As we seek to provide a balanced and disciplined learning environment for students of CAS, we realize that human wisdom falls short of God's standards. We do not claim to be perfect in all our decisions, but we do try our best to discipline in a way that is biblical and pleasing to God. As partners in the discipline process, it is important that the school and the homework cooperatively for the student's good. Since we teach the students to obey and submit to their parents, it is imperative that parents maintain that continuity by upholding and teaching the principles taught at school. We can instill in students a proper Christian education with moral principles only through a program that includes clear disciplinary procedures. Parents' and students' cooperation in this program are crucial. (Please be aware that the administration reserves the right to make disciplined decisions on an individual basis.)

Our goal should always be to obey the Scripture that says, *"And whatever you do, whether in word or deed, do it all in the name of Jesus Christ, giving thanks to God the Father through him"* (Colossians 3:17 NIV). In the best interest of the entire school community, certain guidelines of conduct, both on and off campus, must be maintained by all students of CAS so that we might all live and work happily together.

**The general guidelines for student conduct are listed below.**

1. Practice courtesy and consideration in your association with teachers, school employees, fellow students, and visitors. Respect their person and property. (Eph. 4:28-32)
2. Respect the authority of teachers, administrators, and staff members. Treat them courteously, respectfully, and obediently as unto the Lord. (Heb. 13:17 & Thess. 5:12-13)
3. Abstain both on and off campus **from the use or possession of alcoholic beverages, all tobacco products, drugs, and pornography as well as from gambling and other undesirable practices that are generally recognized to be harmful to one's health and Christian character.** (I Cor.6:19-20)
4. Abstain from profanity and vulgar or abusive speech and actions. Such speaking and actions are harmful to others and is certainly not appropriate or conducive to your moral and spiritual development. (Eph. 4:29)
5. Refrain from public displays of affection on campus. Students are expected to conduct themselves in a discreet and Christian manner. Therefore, while on campus, students should follow a "hands off" policy.
6. No texting or any other unauthorized use of computers or other devices capable of Internet usage permitted during school hours. No pictures, audio recordings, or videos are to be taken during school hours unless permission is given by the School Administration.
7. Since honesty is a Christian virtue that should be displayed by all students, we consider cheating a serious offense. During a test, a quiz, or an exam, it is your responsibility to avoid every appearance of cheating. All books and papers must be out of sight. No talking is allowed. In fact, talking during a quiz or a test may be dealt with in the same manner as cheating.
8. Cheating/Plagiarism

**Cheating** involves any form of work that a student turns in which has not been completed fully by him/her, including exchanging answers on homework, plagiarism, ChatGPT, or any AI software. Both the person obtaining information and the supplier of the information are viewed the same. Cheating also includes the use of unauthorized material(s) for cheating purposes (cheat sheets, writing on hand, smartwatches, desks, etc.). Smartwatches may be asked to be removed for quizzes and tests.

**Middle School and High School** (6-12<sup>th</sup> Grade) Consequence: The student who cheated will be given a grade of **zero** for the assignment or the exam in which cheating took place. The other student's grade will be determined by the teacher.

**Plagiarism** involves copying or paraphrasing the idea and/or words of another person without proper acknowledgment and presenting this material as one's own original work, including ChatGPT or any AI software. Rules and guidelines regarding plagiarism are regularly covered as part of the curriculum. The ease with which information can be copied and pasted from digital sources makes plagiarism more problematic than ever, especially now with AI and ChatGPT. Students should consult with their teachers regarding questions regarding whether the use of certain materials would be considered plagiarism. Assignments can only have up to 25% come from a resource, which must be properly cited with in-text citations and a reference page.

**Middle School** (6-8<sup>th</sup>) consequence: First offense: 10% deduction in the grade; rewrite and resubmit the paper; infraction issued. Second offense: 20% deduction in the grade; rewrite and resubmit the paper; infraction issued. Third offense: 30% deduction in the grade; rewrite and resubmit the paper; detention issued. Any further offenses will result in a meeting with the administration.

**High School** (9<sup>th</sup>-12<sup>th</sup>) consequences: First offense: 30% deduction in the grade; rewrite and resubmit the paper; infraction issued. Second offense: 40% deduction in the grade; rewrite and resubmit the paper; infraction issued. Third offense: 100% deduction; 0 points for the project; detention issued. Any further offenses will result in a meeting with the administration.

9. All school rules and guidelines apply on field trips, all school-sponsored events both on and off campus and after school hours.

## Discipline Procedures

CAS recognizes that there are major differences between elementary, middle school and high school students with respect to an attitude toward discipline. The steps of discipline that are followed depend upon the severity, persistence, and intensity of the situation. **The consequences may vary depending on the situation and the individual.** Middle school and High school disciplinary procedures **typically** proceed in the following manner.

1. The teacher/adult observes inappropriate behavior.
2. The teacher/adult will issue a consequence which may be an infraction.
3. The School Administration will be notified of the infraction.
4. If an infraction is issued, the School Administration will notify the parent/guardian via RenWeb. (If needed, a phone call will be made.)
5. The accumulated number of infractions will determine the severity of the consequence and the parents will be notified of the consequence via RenWeb and/or a phone call.

We strive to discipline in the spirit dictated by the Holy Spirit in Galatians 6:1 & 4: *“Brethren, if a man be overtaken in a fault, ye who are spiritual, restore such a one in the spirit of meekness; considering thyself lest thou also be tempted. Each one should test his own actions. Then he can take pride in himself without comparing himself to somebody else.”*

The Christian life is one of not merely self-control, but CHRIST-CONTROL. True joy is found in submitting to Him and taking His yoke (Matt. 11:28-30). It is by outward control that we learn self-control. By submitting to the authority of home, school, and church, we learn to yield to Christ. Each student’s conduct should be brought into harmony with the principles of God’s Word as revealed in the Bible.

CAS recognizes that, while the Scriptures do not provide specific teaching regarding all social practices, they do advocate self-restraint in that which is harmful or offensive to others. Practices detrimental to a Christian’s character and body are not permitted and may subject the student to immediate dismissal. Exposure to movies, videos, music, television, and literature should be carefully guided and supervised by parents in accordance with Philippians 4:8— *“Finally, Brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report: if there be any virtue, and if there be any praise, think on these things.” (KJV)*

Christian conduct is a way of life that is always expected of students, both in and out of school.

Please read Hebrews 12:6-8; Hebrews 13:17 and I Peter 2:17 for understanding our philosophy of discipline.

Please note that the following are not all-inclusive lists. Elementary discipline procedures will have many of the same guidelines, but the specifics will be determined by the teacher and principal depending on the grade level.

## Behaviors Resulting in Discipline

The following behaviors by a student **on or off school property** may constitute cause for discipline:

### Class I Behavior

1. Not having supplies needed for class
2. Disruptive talking in class or any other disruptions after previous warning

5. Classroom disruption
6. Running and/or horseplay in halls or classroom
7. Writing and/or passing note

### Class I Infraction Consequences

A Class I infraction can be given to a student by any teacher and/or staff member of CAS, whether the student is in or out of class. The following protocol will be executed for accumulated infractions within an academic semester.

*Detentions are held on Tuesday & Thursday's from 3:30 p.m. – 4:30 p.m.*

The discipline protocol begins and ends each semester. Each student will have zero infractions at the beginning of each new semester. Teachers will not give more than one infraction per class period. If the student's behavior continues, the student will be referred to the School Administration. The School Administration may increase disciplinary actions based on the student's continued negative behavior. Further behaviors may lead to Class II or Class III disciplinary actions.

### Class II Behavior- Detention (Middle/High School)

1. No chewing gum during school hours
2. Bringing and/ or using disruptive items in class. These items include **cell phone\***, Fidget Spinners\*, electronic games, CD players, iPods, MP3 players, cameras, Nintendo DS and other handheld computers, or any other electronic device without teacher permission. ### Class III Behavior- Saturday School (Middle/High School)

1. Deception, lying, plagiarism, cheating
2. Defacing school or private property
3. Fighting involves 2 or more people who are both being the aggressor. When determined that one person is the aggressor and one person is defending himself/herself, it is then considered assault and is addressed in Class III.

## Internet Usage—Class I, II, III or IV Behavior

Technology has infiltrated all areas of our lives. A student who uses the internet at home or in school in a way that reflects negatively on the student or school system will be disciplined. The severity of the discipline will depend upon the inappropriate use of the internet. For example, a student who uses the internet to search for a new outfit may not receive the same discipline as the student who uses Facebook or Skype to bully someone. Often, the infraction may overlap with another infraction (bullying, profanity). Students may forfeit the use of school computers or the right to have a cell phone at school when found using the internet in a way deemed inappropriate by CAS.

## Bullying Policy

CAS does not tolerate bullying in any form. We define bullying as any intentional electronic, written, verbal or physical act. The following classify the grounds for bullying.

1. Physically or emotionally harms a student or damages the student's property.
2. Substantially interferes with a student's education.
3. Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment.
4. The effect of bullying has substantially disrupted the orderly operation of the school.

Harassment, intimidation, or bullying is conduct that disrupts both a student's ability to learn and school's ability to educate its students in a safe environment.

If it is determined that a student is engaged in bullying behavior, the school's Discipline Policy will be followed. If the behavior is extreme, at the discretion of the administration, the student may be removed from class, suspended from school, or enrollment may be terminated without following the normal steps in the school Discipline Policy.

**Please note:** Sometimes students, especially when they are very young, have not developed the interpersonal skills necessary to express their needs and feelings. Therefore, sometimes students will be mean to each other or physically hurt each other occasionally. We do not consider this occasional misbehavior "bullying". In these instances, the teachers and staff will attempt to work with these students to help them express themselves with words and good choices when faced with an undesirable situation.

*"A good name is more desirable than great riches: to be esteemed is better than silver or gold."*

*Proverbs 22:1*

## Detention Policies—Thursday (3:30 p.m. to 4:30 p.m.)

*Detention policies apply to both elementary and the high school.*

- A. Students will be notified and issued detention by the School Administration. Parents will be notified of detentions through RenWeb.
- B. Parents will need to confirm that they received notifications of detention by an e-mail and/or phone call to the School Administration. Parents are responsible to pick up students **NO LATER** than **4:30 p.m.**
- C. Students report to detention on time and with sufficient schoolwork for one hour. If a student is late, he will be issued detention for the following week.
- D. The cost is \$10 for every detention after the first detention served in the school year. These charges will be added to the student's school fees if not paid at the time of the detention.

## Saturday School—Saturday (9:00 a.m. to 12:00 p.m.)

- A. The School Administration will notify parents by letter of assigned Saturday Schools.
- B. Students are to:
  - a. Be on time.
  - b. Bring pen or pencil and notebook paper.
  - c. Do assigned project(s).
  - d. Bring school assignments or reading materials.

A student's dress should honor and glorify the Lord, reflecting modesty, neatness and cleanliness and not be a distraction to the learning environment. Dress and appearance styles and standards are always changing and are often controversial. There are as many opinions about acceptable appearance as there are parents and students. The following biblical guidelines are used to guide the student appearance policy.

- a. **Moderation** (Philippians 4:5, I Timothy 2:9-10) Avoid extremes in behavior and appearance to not draw attention toward us and away from Christ.
- b. **Jesus and Others** (I Corinthians 10:31-33, Philippians 2:3-8, Romans 14:13-15:3) Honor Christ and be not a stumbling block to others who hold Christians to a high standard.
- c. **Brotherhood and Unity of Believers.** (Psalm 133) As believers, we should be unified and not be in competition or divided into cliques by clothing cost and style. **Example** (I Timothy 4:12): Older students have a responsibility to be an example to the younger students.
- d. **Safety** (Proverbs 3:21-23) Shoes and garments shall insure student safety in labs and in the event of an emergency evacuation.
- e. **Gender Difference** (Genesis 1:27, Deuteronomy 22:5) Boys and girls shall be distinguished by their appearance.
- f. **Clean** (Ecclesiastes 9:8) Students and their clothing shall be clean and have no offensive odor.
- g. **Inward Adornment** (I Peter 3:3-4) Students shall be encouraged to develop an aura of purity, modesty, and sweetness, not a tempting or sensual appearance.
- h. **Timing** (Ecclesiastes 3) Appearance should be appropriate for the occasion and activity. Appearance for business (academics) shall convey a sense of discipline, responsibility and the seriousness of the thought and action of scholarship. Appearance for recreation may convey relaxation. Clothes for competitions should be appropriate and convey unity, resolve, and discipline.
- i. **Submission and Be Clothed with Humility** (Romans 13:1-4, James 4:7, I Peter 2:13, 5:5) Students shall be encouraged to submit to their overseers who God holds accountable.
- j. **Appeal** (Matthew 18:15-17) Students and/ or parents who believe that dress or enforcement expectations have not been appropriate may follow the Scripture model of resolving differences.

In addition, teachers may ask a student to remove their watch if it is being used inappropriately (texting, emailing, etc.) during the school day. If the student is addressed multiple times, additional measures may need to be taken.

High school and middle school students are not to be in the hall during class time without a planner/hall pass. A student must report to his/her teacher to request a signature in his/her planner for any reason to be in the hallway. If a teacher detains a student after class, the teacher will give the student an excused or unexcused pass to the student's next class. Students will be given planners at the beginning of the year. It is always their responsibility to have the planner with them. He/she may not use another student's planner as his hall pass. A replacement planner may be purchased for \$5. CAS seeks to provide an environment for student relationships that is morally healthy, wholesome and God-glorifying. We adhere to Scriptural principles. To encourage right conduct in boy/girl relationships, the following policies have been established.

1. Students must avoid physical contact that is generally associated with boyfriend/girlfriend relationships. This includes holding hands, hugs, or any public displays of affection.
2. Students are not to be alone or unsupervised in a classroom or hidden area of school.
3. Couples are discouraged from traveling alone to or from school or school functions.
4. CAS reserves the right to advise and/or discipline the student with regard to any relationship for the following reasons:
  - a. A relationship violates these policies.
  - b. A relationship is inconsistent with Christian conduct.
  - c. A relationship affects academic performance.

## Student/Student Relationships

Students are to show respect and friendliness to fellow students. No “put downs” or disrespect will be permitted. Students are encouraged to manage themselves and be responsible for their actions and words towards other students. Politeness and good manners are expected of students. Rudeness is never acceptable.

*“Finally, all of you, be like-minded, be sympathetic, love one another, and be compassionate and humble.”* I Peter 3:8

## Student/Faculty Relationships

Students are to develop and maintain an attitude of respect for teachers and staff and address them as “Miss”, “Mrs.”, or “Mr.”.

*“Have confidence in your leaders and submit to their authority, because they keep watch over you as those who must give an account. Do this so that their work will be a joy, not a burden, for that would be of no benefit to you.”* Hebrews 13:17

## Student Phone Privileges

**PARENTS, please do not text your student.** If a parent calls the school for a student, the secretary will be happy to deliver a written message to the student. Students are not permitted to take phone calls unless it is a clear emergency. Please make all after school arrangements prior to the student’s arrival at school. Students are not allowed to use the classroom phones. Office phones are only for students use before school, during lunch and after school.

## Lost and Found

Lost and found items will be placed in a marked box at the school office. CAS recommends the labeling of all clothing, lunch boxes, supplies and items brought to school for “sharing” time. Items not claimed by the **end of the quarter** become property of the school and are donated to a local charity.

## Lockers

Lockers are the property of the school, and the administration reserves the right to inspect the lockers at any time. However, we do recognize and respect a student’s right to privacy. Lockers are furnished to all students in grade 1-12. Students must use only their assigned locker throughout the year. They are not to use an empty locker nor are they to share lockers with another student. Students should never open or bother another student’s locker or book bag without permission. The tops of lockers, as well as the inside and outside of lockers, must be kept clean and neat. Avoiding stickers and tape can greatly reduce locker clean-up time at the end of the school year. Magnets and sticky tack are recommended.

**Book bags are not to be brought to the classroom.**

## Visitors

The school office hours are 8:00 a.m. - 4:00 p.m. Parents or visitors must sign in at the front desk and receive a visitor's badge. Please do not go directly to the student's classroom. This includes guest speakers and lecturers in the classroom. **All visitors must sign in and out at the front desk.**

Students wishing to have visitors attend the Homecoming activity or the Junior/Senior event must complete and return a visitor form to the School Administration 24 hours prior to the event.

Students must fill out add/ drop class request form which will require a parent signature.

## High School Community Service Hours

CAS believes (Matthew 28:19-20; Acts 1:8) young people need to receive experience and training in service/outreach in order to:

1. Gain a better understanding of how to be the hands and feet of Jesus,
2. Put into practice how to love as Jesus loves,
3. Be introduced to potential career fields,
4. Become involved in ministry within a local church.

Our desires, through this requirement, are to assist students in gaining a Christian worldview, experiencing a closer walk with God, and bringing glory to Him through service. Twenty (20) hours of service/outreach are required for 9<sup>th</sup>-12<sup>th</sup> grade students each year. Students are required to have ten (10) hours completed by the end of 1<sup>st</sup> quarter; the next five (5) hours by the end of 2<sup>nd</sup> quarter, and the final five (5) hours by the last school day in April. **SENIORS** must have all their hours completed by the end of 3<sup>rd</sup> quarter.

Part time students and athlete only participants must complete five (5) hours of service at the end of the first semester or end of the athlete's sport season. A sport season concludes the date of the sports banquet.

#### **HOURS ARE DEFINED AS:**

- Active participation in a service/outreach activity. Listening, watching, or observing an activity will not qualify.

- A total of ten (10) hours must be completed by the end of the first quarter. However, the entire year may be completed in advance.
- A service/outreach activity is giving oneself to others. If compensation of any kind is received, the hours will not qualify.
- The service/outreach activity must be supervised directly or indirectly by an adult.
- Service hours must be completed outside of the school day.
- Assisting one's own family will not qualify towards service hours.
- The areas of service cannot be carried over into subsequent years.

Final transcripts for seniors will not be released until the Student Service Hours requirements are completed.

## Senior Mission Trip

The senior mission trip is for the senior class. It allows this class to have the opportunity to go out into society and make use of the knowledge and skills that they have learned at CAS. It is an excellent way for them to proclaim God's Good News through their spiritual gifts. All graduating seniors are expected to participate and attend all activities pertaining to their senior mission trip. All seniors will participate in the culminating mission trip unless they have a valid doctor's excuse. All students who are not participating in the designated senior mission trip will be reviewed by the CAS administration, and alternate requirements will be assigned.

# GRADUATION

## Valedictorian/Salutatorian

The Board of Directors of CAS, with the goal of establishing spiritual and academic excellence in our school system, utilizes the school management software system in computing grade point averages and class ranking. One outcome of this is to identify graduating class Valedictorian and Salutatorian. The below policy is adopted starting with the class of 2017. CAS determines the graduating class Valedictorian and Salutatorian, as well as their public recognition, in the following manner:

- The Valedictorian is the graduating senior who has the highest-class rank based on accumulated grades through all eight semesters of high school. Any high school credit-bearing course taken prior to 9<sup>th</sup> grade will be calculated into each student's Grade Point Average (GPA). The GPA will be determined through the school's management software. The GPA will be carried out five places beyond the decimal point and will include weighted accepted college courses and AP courses. The Salutatorian is the graduating senior who has the second highest GPA based on previously mentioned criteria. In case of a tie for the highest rank (five places beyond the decimal), all students sharing the GPA will be named Valedictorian. The student with the next highest GPA will be Salutatorian. If there is a tie for Salutatorian, multiple students will receive this recognition.
- The applicable course grades of students transferring to the CAS from an accredited school system will become a portion of their final GPA.
- To be considered for Valedictorian or Salutatorian, students must have been considered full time students during their Junior and Senior years at CAS. Students recommended for Valedictorian or Salutatorian must receive a minimum of four credits on campus during their Junior and Senior years. This does not include on-line college courses.
- The recommendation for Valedictorian and Salutatorian speakers will come from the School Administration and Academic Advisor. The Board of Directors reserves the right to deny the privilege of speaking at the graduation ceremony for living or behaving in a manner that does not reflect the expected student outcomes and/or the Mission of CAS.

Students deemed by the school administration to be in contention for Valedictorian and Salutatorian status will be directed to write speeches for potential delivery at the graduation ceremony. Those speeches will be submitted to the School Administration on the Monday prior to Senior Chapel. The final determination of Valedictorian and Salutatorian will be computed prior to the Senior Awards Chapel on the Wednesday prior to graduation with the final announcement made at this event.

## Students

1. Grades transferred from either public or non-public accredited chartered schools will be transcribed as received.
2. Home school transferees will be accepted individually at the discretion of the administration. Documented records are required for transfer credits.

## Early Graduation

Any student desiring to graduate in less than four years should meet with the high school principal before the beginning of his 11<sup>th</sup> grade year for approval. Approval will be based on current graduation requirements being met, a current grade point average 3.7 or above, and a score of 26 or above on the

ACT. Students must be able to meet their graduation credit requirements based on classes offered. Exceptions to this policy may be made on an individual basis.

## National Honor Society

An induction ceremony to the National Honor Society (NHS) is held each year in February. Membership in National Honor Society is based on four pillars: Character, Scholarship, Leadership, and Service. At CAS, there is an application that must be completed and returned to the NHS coordinator by the assigned date each year.

For students to qualify for eligibility for selection into the National Honor Society, sophomore students must have completed 15 hours of community service, junior students must have completed 25 hours, and seniors must have completed 35 hours of service by semester break. Students must have a 3.5 GPA. The Faculty Council will evaluate the requirements of scholarship, leadership, service, and character for each eligible candidate according to the information listed in the student's application as well as faculty observation. Final selection of the NHS is the responsibility of the Faculty Council.

All NHS members are expected to maintain membership requirements of the NHS. This includes GPA and taking part in NHS service projects. The Faculty Council may dismiss any member failing to fulfill these obligations. Dismissal will result in the removal of the NHS designation from school records and depending on the severity of the infraction, possible notification of colleges to which a student applied.

## Academic Probation

CAS students, grades 4-12, will be placed on academic probation at the end of each quarter if any of their core class (Math, Science, English, Social Studies and Bible) grades fall below 60%.

*The following conditions apply to students on academic probation:*

1. Parents will be notified that their student is on academic probation.
2. The probationary period will be for the duration of the next 9-week grading period.
3. Removal will occur at the end of a 9-week grading period when grade cards have been reviewed and confirmed by the School Administration. Parents will be notified when their student is removed from academic probation.
4. If a student is on academic probation for a second consecutive quarter, the initiation of the dismissal process from CAS will be considered.
5. The student must attend at least one of the two study sessions offered each Tuesday and Thursday from 3:30-4:30 p.m.
6. Any student being dismissed from CAS due to academics may reapply two quarters after dismissal. The normal admissions procedures apply along with academic testing.
7. During the probation time, student athletes must meet the following criteria to participate in their sport.
  - a. Regain a grade of 70% or above in each class.
  - b. Attend a weekly study table.
  - c. Get and complete a grade/performance accountability sheet, show it to the principal at the end of the day on Friday and give it to the advisor. If grades are 70% or better, the student may participate in the activity.
  - d. If student should skip study tables, the student remains ineligible until after attending study tables the following week.

The student on academic probation must strive for perfect attendance and no tardiness to school. If a child is sick, a phone call by the parent to the school office must be made by 8:30 a.m. All homework must

be completed by the date and time the teacher has assigned without excuse. Parents will be notified by the teacher via RenWeb if homework is not completed. RenWeb must be checked daily to ensure strong communications between school and the student's family. Parents are responsible to make sure their child understands what is expected of him/her as CAS student.

Should a student remain on academic probation for two consecutive grading periods, the administration will meet with the student, parents, and the academic advisor. It is our desire to give students on academic probation support and encouragement. Our goal is to see each student restored to good academic standing. Academic probation is intended to be a warning to the parents and the student that there is a serious problem that needs to be addressed.

## Math Fluency Testing

Math fact fluency, by definition, is knowing a math fact automatically. Per Fast Math by Scholastic, students know facts within .8 seconds. The government recommends a math fact recognition of 3 seconds. Just as students know their sight words without thinking about them, math facts should also be recalled quickly and effortlessly. By knowing facts fluently, students free up their working memory to accomplish more difficult steps and tasks. Rather than recreating  $8 \times 6$  in their mind and using a strategy every single time they see this fact, students must have fact fluency. The FIRST step to fact fluency is having a strong conceptual understanding of the fact strategies (doubles, doubles + 1, using combinations of 10, etc.).

At CAS, we would like for all students in grades 4-5 to know (have memorized) their math facts. Our goal is that each student would **know from memory all sums of two one-digit numbers in under 3 seconds and know from memory all products of two one-digit numbers in under 3 seconds.**

Testing will take place as follows:

- Students will be tested once a week after the 1<sup>st</sup> semester.
- Students passing 3 weeks in a row will no longer have to take the test.
- IEP students' progress will be looked at on a case-by-case basis and will be asked to work to the best of their ability.

## Volunteering at CAS

At CAS, we believe it is important to be involved in the total life of your child. When the entire family is actively involved in the child's school and extracurricular life, there are more investments in the child's education.

To encourage parent involvement, as well as to help maintain low costs, each family is **required** to complete 20 hours of volunteer work in the school each year. Upon enrollment of a student, volunteer forms are distributed to parents requesting their assistance in many areas. *CAS will run a simple background check for anyone who volunteers in these occasional unpaid roles.*

When parents volunteer for parties, walk-a-thon, spaghetti dinners, etc. **please call the office** and the executive secretary will put the date, description, and hours on Renweb. Parents can check volunteer hours on Renweb. **If parents find their schedule too full to assist, they may pay \$200.00 in lieu of the 20 hours of volunteer time.**

If hours are not completed and documented, **PARENTS WILL BE BILLED AT \$10.00 FOR EACH VOLUNTEER HOUR NOT COMPLETED BY THE END OF THE SCHOOL YEAR.** Updates will be given with the report card for the semester and a final bill at the end of the school year. Report cards and access to Renweb will not be available until the balance is paid in full.

## Volunteer Opportunities

Volunteer opportunities will be announced by e-mail and newsletters. Some of the volunteer hours will be available by participating in different activities. For example:

- Classroom party volunteer
- Ground Upkeep
- Little Shepherds Shoppe
- Love to Read Week
- Painting
- Reading Volunteer
- Teacher Appreciation Week
- Workdays
- Teacher assistance
- Walk-a-thon
- Other opportunities may be considered
- Athletics
- Special events
- Mum sales

## Safety

**\*\*Safety Plan Available upon Request\*\***

## Health Guidelines

If a student develops a fever of 100 degrees or higher, he/she may not attend school until their temperature remains under 100 degrees without the aid of medication for 24 hours.

If a student vomits, regardless of the presence of a fever, he/she is not permitted to attend school until 24 hours after the last vomiting event.

If a student has a fever or has vomited while at school, they must be picked up from school within an hour to avoid spread.

If a student misses 3 or more days a doctor's excuse must be given to the front office.

## Medication at School

Medication administration at school is discouraged. Please consult the prescribing physician, nurse practitioner or dentist to ascertain if the medication can be administered at times when the child is at home.

Medications will only be administered during school hours when it is essential to do so: allows return to the classroom; minimizes missed school days; improves student functioning; as part of treatment plan for management of a complex disability or illness; or may be necessary for life-threatening emergencies.

Students needing to take medication during school hours must follow these guidelines:

- Provide the school with a completed Medication Authorization Form signed by both the parent/guardian and the healthcare provider. The form is located on the CAS Website and the front desk.
- No prescribed medication will be given at school without the completed Medical Authorization Form.
- A new Medication Authorization Form must be completed each school year AND when the medication or dose has changed.
- All medication must be in the original container in which it was dispensed by the healthcare provider or pharmacy and be labeled with the correct dose and instructions.
  - The label must match what is on the Medication Authorization Form.
  - Students taking a medication at both school and home can request 2 separate labeled bottles from the pharmacy to divide the pills to have some at home and school.

↗ Students using an inhaler, epinephrine pen or other emergency medications at school can request 2 prescriptions from the healthcare provider in order to have a supply at home and school.

- If medication must be taken with food, it is the responsibility of the parent to provide food, as well as any necessary utensils.
- Students are **NOT** TO CARRY MEDICINES IN THEIR PURSES OR POCKETS OR KEEP MEDICINES IN THEIR DESKS OR LOCKERS. All medicines that are to be taken at school are to be given to the front desk receptionist in the morning. Students are then to come to the front desk when the medicine is needed. Students who must have their inhalers with them for asthma are required to have written permission of parents and the physician.
- The school assumes no responsibility for liability in association with administering medications to students.
- In order for school personnel to administer non-prescription medications at school, the following procedure must follow: the parent **MUST** complete and sign the Christian Academy Schools Parent's Permission for Students Taking Over the Counter Medication form: For example, Tylenol, Tums, Cough drops, Advil, etc. This form is located on the CAS website or at the front desk.

**All unused medication MUST BE picked up by the parent/guardian on the LAST day of school or it will be discarded.**

## Head Lice Guidelines

The school nurse, or person designated by the head of school may do examinations for lice infestation.

Whenever a student is found to be infested with head lice, he/she will be sent home for treatment and not re-admitted until the student is free of all **live** lice and a marked reduction of nits are found.

If the student has siblings or other household members in the school system, they will be checked for evidence of lice.

The student will not be permitted to ride the school bus until the designated school personnel determine he/she is free of live head lice. After completion of head lice treatment regimen at home (including removal of live lice and any nits), it is the parent/guardian's responsibility to transport the student to school for an examination.

## Athletic Handbook

### Philosophy

CAS is a proud member of the (OVCC) Ohio Valley Christian Conference. The goals of this conference's members are to honor Jesus Christ in everything we do as well as to maintain the highest possible standards in conduct and practice for school, athletes, coaches, and fans. Integrity and character will be honored in all activities.

We believe in maintaining the highest standards of Christian conduct and sportsmanship. The Bible is our ultimate manual for Christian character and integrity. Our goal is for coaches, students, and parents to demonstrate the highest ideals of sportsmanship. Therefore, this manual offers the following guidelines:

<b>Fall Sports</b>	<b>Winter Sports</b>	<b>Spring Sports</b>
Soccer-Coed	Basketball- Girls	Archery—Coed
Volleyball- Girls	Basketball- Boys	Volleyball-Boys

### Pre-Season Parents and Players Meetings

All CAS athletes, along with at least one parent/guardian, are EXPECTED to attend the pre-season parents and player meeting for their sport. If the parent and/or athlete do not attend this meeting, they will need to attend a brief meeting with the head coach of their sport, signing a practice policy, before they are permitted to practice. The pre-season parents and players meeting is the official start of an athletic season. Therefore, all practices after this meeting are mandatory and all physicals must be up to date by this meeting.

### Expectations of Parents and Fans

1. Be an exemplary role model by positively supporting teams in every manner possible. This includes content of cheers and signs.
2. Respect decisions made by contest officials.
3. Respect fans, coaches, and participants.

Parents and fans play a vital part in the success of our program by working concessions, working the doors, transporting players, providing a positive environment, and setting a good example. When parents respect these guidelines on and off the field, they teach their children to do the same. Remember that the CAS mission is to *“Equip and Inspire Students to be a New Generation of Christ-Centered Leaders.”*

Avoid the use of gossip and having a critical spirit concerning the games and officials' calls. Parents must keep a positive attitude and avoid a critical spirit. If you wish to discuss an issue in person with the coach, please make an appointment or make a phone call. Coaches are more than willing to talk to parents.

If the student is unable to travel with the team, but instead travels with a parent, he/she must complete a "Permission to Travel" form signed by the parent and given to the coach the day prior to travel. Forms are available on the [www.caseagles.org](http://www.caseagles.org) website under Athletics/Downloadable Forms, at the front desk or from the coaches.

## Uniforms

Uniforms will be issued by the sports' coach. It is the athlete's responsibility to maintain the uniform during that sports' season. If the uniform is damaged, then the athlete should notify the coach, so a replacement can be procured.

The coach will collect all the uniforms at the end of the season. If an athlete does not return his/her uniform, or if the uniform is in such disrepair that it cannot be used next season, then the student will be charged for replacing the uniform at current prices. This cost will be added to the athlete's school fees.

## Vocational and Home School Students

Students may participate in athletics at CAS with the recommendation of the School Administration, Athletic Director, and the coach. Vocational and Home School students must meet the same requirements to play as CAS students. They must also meet and follow all the expectations regarding school policy as any full-time student.

## Withdrawal From CAS

The Board of Directors affirms that, while statute required attendance of each student until eighteen (18) years of age. It is in the best interests of both students and the community that they complete the educational program that will equip them with skills and increase their chance for a successful and fulfilling life beyond the schools.

The Board directs that whenever a student wishes to withdraw, effort should be made to determine the underlying reason for such actions and the resources of the district should be used to assist the student in reaching his/her career goals. No student under the age of eighteen (18) will be permitted to withdraw without the written consent of a parent and in compliance with State law.

Whenever a student under the age of eighteen (18) withdraws from school without moving out of state, transferring to another school, or enrolling in and attending an approved program, Christian Academy Schools shall immediately notify the Superintendent of the school district in which a child's parent or guardian resides; the Superintendent of that school district shall notify the Registrar of Motor Vehicles and the Judge of the Juvenile Court within two (2) weeks after the Superintendent confirms the student is not properly enrolled in and attending another approved school or program or has moved out of state.

The Christian Academy Schools Head of School shall develop administrative guidelines for withdrawal from school which:

1. Ensure that proper procedure is established so that the Superintendent of the school district in which the child's parent or guardian resides is notified immediately when such a withdrawal occurs.
2. Ensure that proper procedure is established so that notification of the Registrar of Motor Vehicles and the Judge of the Juvenile Court complies with the provisions of O.4.C. 3321.13 (1).

The Christian Academy Schools Head of School shall be encouraged to:

1. Make counseling services available to any student who withdraws.
2. Inform the student of alternative programs.
