Love to Read Week "Mission Impossible" NEXT WEEK - February 5th thru 9th

Love to Read Week: Mission Possible!

"Your Mission... should you chose to accept, is to uncover a good book during Love to Read Week from **February 5th-9th**. Love to Read Week is sure to make reading a **MISSION POSSIBLE** by providing a variety of interactions with books.

Opportunities await this week for everyone as they match their wits against the dangerous and tricky Board of Trivia. Each day (Mon-Thurs) posted on this special board by the front office will be trivia questions for grades K-2, 3-5, 6-8 & 9-12. Please make sure to write your name on the supplied paper along with your answer and place it in your grade level bucket. Correct answers will go in a drawing for a candy bar. Winners will be announced at the beginning of the next day.

More intrigue awaits when we will all enjoy a daily opportunity to read for 20 minutes! All reading must be from a choice book (do not include reading from magazines, textbooks, catalogs, etc.) Please make sure to have your books with you before the 20 minutes of silent reading begins!

MS/HS students will be enjoying a coffee and hot chocolate bar (per their schedule). Elementary Students will have special guest readers appear throughout the week.

Keep your eyes open and your wits about you so you can complete this mission of Love to Read Week! This message will self-destruct in 5 seconds.....

Christian Academy to Host a Blood Drive

A Community Blood Drive will be held at Christian Academy on **Thursday, March 14th** from **1pm – 5pm**. Our high school students and their parents have been asked to give the gift of life by donating blood at this high school blood drive. To donate, your child must be at least 16 years old, weight at least 110 pounds, and be in good general health. In addition, if students are 16 years old, parental consent is required. High school blood drives provide a special opportunity for students to learn about community service and the value of selflessly helping others. Students who donate blood in high school will normally continue after graduating. By donating blood, your child has the potential to save 3 lives. More information is coming soon!

Verse of the Week

*"Peace, I leave with you; my peace I give you. I do not give to you as the world gives.
Do not let your hearts be troubled and do not be afraid." – John 14:27*

In the middle of trouble and difficulty, Jesus said He would leave us peace. That means that no matter how crazy what you're going through may seem, we can do it walking in God's peace. When it seems like nothing in the world is right, we can still walk in peace. We can be confident that God is good. Because we have that knowledge, we know that regardless of circumstances and situations, we can walk in God's peace. Decide that from today on, you're going to walk in the peace of God. Choose peace, even when it's hard. After all, Jesus came to bring peace to your life!
