Partnering

During this past week, our staff has been extremely busy with various parent-teacher conferences here at the school. While we know that we may have conferences anytime during the year we set aside special dates on the yearly calendar to have parent teacher conferences. These conferences are scheduled in order to meet with the parents to discuss updates and plans for their students' success in and out of the classroom. As a school staff we realize that our families love and care for their children and in working together we can help to provide greater success not only now but in the years ahead.

Paul noted the importance of partnering together with other believers to share in God's grace and His service as noted in Philippians 1:7. He used the more common word "koinonia" to have in common or share in partnership. In particular he used the word "synkoinonos" to share together with.

Know that we greatly value our families partnering with us here at CAS to help these great young people be better equipped for all that God has in store for them.

Mr. Dray

**IT IS RIGHT FOR ME TO FEEL THIS WAY
ABOUT ALL OF YOU, SINCE I HAVE YOU IN
MY HEART. FOR IN MY CHAINS AND IN MY
DEFENSE AND CONFIRMATION OF THE
GOSPEL, YOU ARE ALL PARTNERS IN GRACE
WITH ME.**

- PHILIPPIANS 1:7

Christian Academy to Host a Blood Drive

A Community Blood Drive will be held at Christian Academy on **Monday, March 11th from 1pm – 5pm.** Our high school students and their parents have been asked to give the gift of life by donating blood at this high school blood drive. To donate, your child must be at least 16 years old, weigh at least 110 pounds, and be in good general health.

In addition, if students are 16 years old, parental consent is required. High school blood drives provide a special opportunity for students to learn about community service and the value of selflessly helping others. Students who donate blood in high school will normally continue after graduating. By donating blood, your child has the potential to save 3 lives. **Contact Mrs. Coverstone or www.donortime.com** to schedule an appointment.

Verse of the Week

"Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen." Ephesians 4:29

Today's verse is a challenge. It talks about us taking responsibility for what we say. It's not up to God to watch what comes out of your mouth or stop you when you're about to say something bad. Today's verse implies that this is our responsibility. It's up to us to guard the words we speak. We shouldn't be letting any thought or feeling just fly out of our mouths. Instead, we should pay attention to what we speak and choose to speak life-giving words. Choose today to be more careful about what you say. Your words are powerful, so be sure that you're using words that build others up and help them. Choose to speak words of life today!
