Proclaim Liberty Throughout the Land

July 4th commemorates the day in 1776 that our nation declared itself to be an independent nation, and no longer a colony of England. On that date, a number of our leading citizens signed what is known as the Declaration of Independence, stating our determination to become a free country.

Our independence did not come easily; only after several difficult years of war would it finally be won. Nor were our first years as a nation free from problems and controversies (as is still true). But our forefathers were determined to establish a free and democratic system of government, and the Declaration of Independence (together with our Constitution and the Bill of Rights) became the foundation for this. They have stood the test of time, and on July 4th we give thanks for the wisdom and faith and courage of those leaders.

Although it is not a religious holiday like Christmas or Easter, for many Americans July 4th is a time to reflect on God's goodness to us as a nation. Molded into the Liberty Bell in Philadelphia (which proclaimed our independence) are these words from the Bible: "Proclaim liberty throughout all the land unto all the inhabitants thereof" (Leviticus 25:10, KJV). Our legal system reflects our Judeo-Christian roots.

While we look with gratitude to the past on this July 4th, may we also look in faith to the future, and commit it and our lives to God and His will. The ancient words of the Psalmist are still true: "Blessed is the nation whose God is the Lord" (Psalm 33:12).

Building Addition Update

The last couple of weeks have especially been like a beehive here at CAS with work related to the new addition. The latest rounds of inspections have been completed, new siding is on, and drywall is being completed even as I write. New phones, speakers, updated fire systems and ceiling systems are being installed. We are still on track to have occupancy in early August for which we are grateful. We are so very thankful as well to be at the \$900K mark towards our needed goal of \$1M for the project. Thanks for your prayers for the work yet to be done and for the funds yet to come in by July 31st.

Refer A Friend

We are glad that with our added space at the school that we still have room for a few more students. If you know of a family with students that may benefit from being here at Christian Academy, then pass along our contact information. If they apply and are accepted parents can have \$250 go towards their school bill or fees. This will be granted when the new student has been enrolled for 1 semester and is in good standing on their bill. (Example – if a CAS parent who presently has a child in K-12 refers a family with two children enrolling in CAS, that parent would receive a discount of \$500 as long as the referred students remain enrolled for 1 semester). Only one referring family can be cited by a prospective family. There is no cash value with this program. The amount applied to the family's account cannot exceed their balance. So... tell your family and friends about CAS!

Verse of the Week

"Don't be afraid, for I am with you. Don't be discouraged, for I am your God. I will strengthen you and help you. I will hold you up with my victorious right hand." – Isaiah 41:10 (NLT)

This Bible verse gives us some good news when it comes to fear. It tells us to not be afraid. We don't have to be afraid because we have a hope that others don't. We know that God will strengthen us and help us in each situation that we face. We have someone who knows the future and the past, who has unlimited wisdom and resources and who is saying that He will help us. When we realize the fact that God is on our side, that He's ready to walk with us through any situation or circumstance that we might face, we can see why He tells us to not be afraid. God won't let us down, so we have no reason to be afraid.
