Verse of the Week

“My child, pay attention to what I say. Listen carefully to my words.” Proverbs 4:20

Being attentive is something we’re supposed to do with [God’s words](#). We are to listen to them carefully. Not just sort of half-listen but really listen to them. We should get them down in our hearts and then let those words affect our daily lives. God’s words should be a part of what we think, do, and say. It’s when we really let the Bible get into our hearts that it has the power to change us. So, if you’ve not really listened and thought about God’s words challenge yourself to do it.
