Five Good Reasons for Christian Education Series

Reason #2

Faculty- Over the years my wife and I have had many friends and family who have taught in public school systems. Even my own wife had taught in the public school system in both Ohio and Texas. What we know firsthand is there are some neat Christians who may teach in these settings, but what they can share or teach regarding their Christian faith is limited. Most educators in these situations do not know the Lord nor God's Word.

Recently I read an article which stated that "Every parent should be concerned with not only what their children are being taught, but also who is doing the teaching."

Luke 6:40 shares "The disciple or student is not above his master: but that everyone that is mature will be as his master."

It has been said many times that "more is caught than is taught." Our own children and students are not exempt from this. Who we are and what we believe will be evident daily. This is not to say that Christian educators are perfect but there are a different standard and goal and practice with staff in a Christian school setting. **There are two kingdoms at work, the Kingdom of Darkness and the Kingdom of Light.** Our children are being influenced daily by one or the other.

Blessings,
Mr. Dray

Verse of the Week

"All the sailors were afraid, and each cried out to his own god. And they threw the cargo into the sea to lighten the ship. But Jonah had gone below deck, where he lay down and fell into a deep sleep." Jonah 1:5

It's easy to turn our back on the people that need us and do what feels comfortable, like Jonah did. However, God calls us as Christians to help others in need. We aren't to pretend like we can't see them or put off helping because we're too busy or to help would cause us inconvenience. Instead, we should do what we can to help others, regardless of the cost. What matters in light of eternity? Is it that you did more fun things, or that you helped someone know Jesus more? **Today's Truth: What matters isn't comfort rather it's asking what God is calling me to do?** www.studentdevos.com

Know Anyone Interested in Enrolling a Student for Kindergarten thru 12th Grades?

Do you know a family whose child is ready to thrive both spiritually and academically at Christian Academy Schools? If so **"SPREAD, THE WORD!"** We are enrolling students for our 2026-2027 preschool through 12th grade classes. We would love to hear from families interested! Tell the families to call 937-492-7556 or email Mrs. McPheron at denise.mcpheron@caseagles.org. We are looking forward to an exciting 2025-2026 school year.

CAS Refer a Friend

Do you know of a family that would like to join our CAS family? We have a student referral program for our existing families that earns a \$250 credit per student referred. This credit can go towards your fees. The credit will be applied to your fees once the new student has been enrolled for 1 semester and is in good financial standing with CAS. Only a prospective family can cite one referring family. Parents who are already receiving scholarships for tuition will be able to apply the credit earned towards fees or volunteer hours. NOTE – there is no cash value with this program. The credit amount applied to your account cannot exceed the balance owed. This is a terrific opportunity to expand our CAS family while lowering your fees.

Students Attended America 250

Students attended the America 250 Field Trip to Wright State Lake Campus on Thursday, April 9th. The students had the opportunity to hear speeches from Ohio State Senator Susan Manchester, Ohio State Representative Angela King, as well as the shared experiences of our country's founders and patriots by Ohio Society Sons of the American Revolution. Lunch by the lake and a quick look at the campus rounded out a very educational and informative day.
