Mission Statement

"To Equip and Inspire a New Generation of Christ-Centered Leaders."

From the Desk of Head of School

Righteous Words

From the mouth of the righteous comes the fruit of wisdom, but a perverse tongue will be silenced.
Proverbs 10:30

A skunk sat on a stump and thunk the stump stunk, but the stump thunk the skunk stunk.

Try saying that three times in a row! What a marvelous, God-designed gift is our tongue! We use it for talking (even saying tongue twisters) and for tasting and eating. It can do so much good when we use our words to encourage, to lift up, and to build up. We can use our speech to share the Gospel and lead people from the kingdom of darkness into the realm of grace. We can say, "Thank you," "I love you," and "How can I be of encouragement to you today?"

But the same tongue can also cause a lot of pain and trouble. As Christians, we must break our tendency to gossip, curse, lie, flatter, criticize, and brag.

Spend time each day in the Word of God, guarding your heart so that only righteous words come out of your mouth. "From the mouth of the righteous comes the fruit of wisdom." The tongue reveals what the heart is storing.

Dr. David Jeremiah

First Day of School 2026

"This is the day the Lord has made; we will rejoice and be glad in it". Psalm 118:24

God is good,
All the time!
All the time,
God is good!

If you would like to show your appreciation, simply send a note to these folks by sending your cards or letters with your students to give to them.

Select K-12 School Photography for assistance.

If Your Child has Transportation Changes...

The office would appreciate parents who need to make transportation changes (for example: your student will be picked up instead of riding the bus home or needing aftercare) to call **no later than 2pm**. This is the best way to guarantee that your child receives the message of the transportation change. Waiting to call near the end of the day makes it difficult to relay the message to your child. Thanks for your cooperation in this matter.

Volunteer Information from Mrs. McPheron

At Christian Academy, we believe it is important to be involved in the total life of your child. To encourage parent involvement, as well as help maintain low costs, each family is required to complete 20 hours of volunteer work in the school each year. In lieu of volunteering, parents are to pay \$200. There will be volunteer opportunities in the newsletter, text, or by e-mail. If you have any questions, please call 492-7556. **After volunteering call Mrs. McPheron or email denise.mcpheron@caseagles.org to report volunteer hours which will record your hours in RenWeb.**

Christian Academy Contacts Families Through...

...emails, texts, parent alerts, and newsletters. Check often so you keep up to date on closings, delays, emergencies, activities, and much more! If you have phone numbers & email addresses that changes during the year, please contact the office at 937-492-7556 or email denise.mcpheron@caseagles.org so the change can be put in RenWeb.

Don't Forget the Health Guidelines

- ✈ If a student develops a fever of 100 degrees or higher, he/she may not attend school until their temperature remains under 100 degrees **without** the aid of medication for 24 hours.
- ✈ If a student vomits, regardless of the presence of a fever, he/she is not permitted to attend school until 24 hours after the last vomiting event.
- ✈ If a student has a fever or has vomited while at school, they **must** be picked up from school within an hour to avoid spreading.
- ✈ If a student misses 3 or more days a doctor's excuse **must** be given to the front office.

Permission to Administer Medicine Information

Mrs. Coverstone will need a signed medicine form on file to be able to administer non-prescription and prescription medicines for your student. This includes ibuprofen or Tylenol for general headaches, allergy medicine or other "over the counter" medications. If your student should need to take daily prescribed medications or emergency items such as inhalers or EpiPen's, etc., this form also needs to be signed by the prescribing physician. The forms are available on the website, at the front desk or can be emailed to you. Contact Mrs. Coverstone by calling 937-492-7556 or emailing cynthia.coverstone@caseagles.org. CAS does not provide non-prescription medicines. For example, Tylenol, Pepto Bismol, etc.

Do You Know Someone Who Could Be a Classroom Substitute for CAS?

Every year we are so grateful for our various classroom substitutes that the Lord sends our way to assist as needed for the 26-27 school year. This year once again we are looking for individuals who could help us in this area. Here are some key items to keep in mind: Our substitutes need to know the Lord, have a minimum associate's degree in any field. Options for days available are fine and the daily full day sub pay is \$120. If you or someone you know would like more information, simply contact either Mrs. McPheron here in the office at 937-492-7556 or email denise.mcpheron@caseagles.org or Dick Dray at 518-409-5545.

This Year Pray for CAS Students, Staff, Parents, and Administration Let Us be More Like Jesus

"Dear God, Bless us in our school today. Help us grow in love and kindness, more like Jesus every day. Amen."

Verse of the Week

"Finally, be strong in the Lord and in his mighty power". – Ephesians 6:10

School can sometimes be a trying time for your faith. You might face peer pressure that makes standing up for truth hard. Today's verse talks about being strong in the Lord. When your faith feels weak when you're at school, you can rely on God's strength. You can look to His power to help you. As you return to school take some time to prep spiritually. Memorize good scriptures and think about truth from God's word so that when you do go back to friends, and faith challenging situations, you're able to stand strong for truth this year!
